

George A. Whiteley

Attorney-General

PERSONAL HISTORY

Born in Boulder Colorado; Pre-legal education, Colorado State Preparatory School and University of Colorado; Legal education, Law School of University of Colorado and Oxford University, England; Rhodes Scholar, Colorado to Oxford University, Admitted to practice, Colorado, 1911; High School Instructor, in White Pine County, 4 years, Life high school certificate; Admitted to practice Nevada, 1914; Deputy State Superintendent of Public Instruction for 2 years; District Attorney, White Pine County, one term; Nevada Legislature, Assembly one term; Assistant United States Attorney, Nevada, ten and one-half years.

The people of the State of Nevada are vitally interested in the various suits filed in the Federal Court by the public utilities, asking for a refund of taxes amounting to approximately \$2,000,000. They have been delayed too long already. If the utilities win these suits it will virtually bankrupt the state. Therefore it behooves the voters of the state to look to their ballots and vote for the man who will do his best, and by his training and ability be able to do it well, in the defense of these suits.

Whiteley has the reputation of being one of the ablest attorneys in the state. For the past ten and one-half years he has been engaged in all classes of federal litigation, and knows federal practice from the foundation to the superstructure.

Litigation is imminent in which both the federal and state governments will be involved.

He is a man independent in thought and action, and is not controlled by any person, corporation or faction.

Midnight oil, in the preparation of his cases, has been burned by the gallon. "Put-it-off-until-tomorrow" is not known in his practice, and he believes in doing today what should be done today without fear of favor.

A vote for George A Whiteley is now a vote for your own financial welfare, and no hesitancy should be shown in putting the election cross after his name.
