Sleek Lines Are Chic For Evening

THE new evening mode combines the lines of Nineteenth Century with the modern silhouette. Slim, sheathlike lines are coupled with demure covered shoulders and discreetly revealing backs. A gown of Seraceta rough crepe has a long molded knee length tunic and shoulder caps which add a demure quality to the ensemble.

Penneys Open Toy Department

J. C. Penney Company, owing to the great amount of Christmas merchandise crowding their main store, has moved its stock of toys to the south room of the Title Insurance Building.

This permits them also to stock a much greater variety of those things which make the children's Christmas a real, though inexpensive, Christmas.

We would suggest that shoppers consult the J. C. Penney advertisement in the current issue of The Age Shopping News when making their plans to shop in the main store at 317 Fremont street.

Why Doctors Favor a Liquid Laxative

A doctor will tell you that the careless use of strong laxatives may do more harm than good.

Harsh laxatives often drain the system, weaken the bowel muscles, and even affect the liver and kidneys.

Fortunately, the public is fast returning to laxatives in liquid form. The dose of a liquid laxative can be measured. The action can thus be regulated to suit individual need. It forms no habit; you needn't take a "double dose" a day or two later.

Dr. Caldwell's Syrup Pepsin gently helps the average person's bowels while nature is restoring their regularity. Why not try it? Some pill or tablet may be more convenient to carry. But there is little "convenience" in any cathartic which is taken so frequently, you must carry it with you, wherever you go!

Its very taste tells you Dr. Caldwell's Syrup Pepsin is wholesome. A delightful taste, and delightful action. Safe for expectant mothers, and children. At all druggists, ready for use, in big bottles.
