

Joint Dinner Honors Team Tuesday Eve

Kiwanis and Rotarians joined in tendering a dinner to the Las Vegas High School "Wildcats" state championship football team at the Methodist church Tuesday evening.

Approximately 100 persons enjoyed the fine repast served by the Ladies Aid Society of the M. E. church. Then entire football squad was present, with coaches Dashiell and Keller, Superintendent Maude Frazier and several other guests. President Marion Earl opened the meeting for the Rotary Club, Rev. A. S. Kean saying grace.

Robert Griffith of the Kiwanis Club presided as master of ceremonies and introduced the speakers.

Coach Dashiell spoke with feeling of the loyalty of the boys and complimenting them upon being "gentlemen and sportsmen." The coaches of the eleven teams which the Wildcats met this year, each had complimented the team upon their clean sportsmanship. Coach Dashiell declared. In closing he introduced each member of the team announcing the position in which he played and paid especial tribute to Capt. Bob Lias. He also announced the election of Len Carpenter as captain of the 1935 team.

Dr. Wm. S. Park showed an interesting series of motion picture shots of the team in action. Some of the slow motion shots both entertained and amused the boys and brought forth some more or less critical comments on the actions of various members.

John F. Cahlan spoke on "Cannon Fodder," and paid deserved tribute to those of the second squad, whose courage and ability to absorb punishment, with no reward of public acclaim, made the winning team possible.

Raby J. Newton, formerly a member of the faculty, now a member of the board of education, spoke briefly. He stressed the desirability of "playing to win" in whatever part they may be cast through life.

Superintendent Maud Frazier declared that football is not merely a game, but is a most important training in the value of cooperation. She stressed the declaration that when a member of the team is seen in uniform at a game, whether he plays in the game or not it is a sign that he not only is proficient in his scholarship, but that his conduct is satisfactory.

Al Cahlan made the award of the Butcher Memorial trophy to Claude Casey as the most valuable member of the 1934 team. The announcement was received with enthusiastic applause, showing that the opinion was practically unanimous.

The whole affair was enjoyable to both guests and hosts. The members of both the Kiwanis and the Rotary clubs were especially pleased to have the opportunity of closer acquaintance and association with the young men whose self denial and hard work on the football team have reflected much credit on the whole community.

C. of C. Meeting Held On Tuesday

At the meeting of the Chamber of Commerce last Tuesday, the principal discussion centered about the report of a committee headed by Harvey Luce, on the questionnaires of the Chamber of Commerce of the United States as to changes desirable in the NIRA set-up.

The report of Mr. Luce gave evidence that the committee had given careful study to the subject. However, there was some objection to the report on the part of several members lest it might be considered a criticism of the administration. Following several brief talks and an explanation of the views of the committee as expressed, the report was adopted by a large majority, only three members voting against it.

It was announced by President Sam Lawson that the next meeting of the Chamber would be held Friday, December 28. The appointment of the committee on nomination of officers was announced as follows: Bob Keltenborn, chairman, Viola Burns, W. E. Ferron, Bob Russel, and A. C. Grant, three of the committee coming from the membership and two being directors.

Frank Hall, representing the Automobile Club of Southern California, was a guest at the meeting.

Virginia Bartlett was introduced as assistant to the secretary, succeeding Betty Farnsworth, resigned.

Perfect Attendance At Rotary Meeting

At the meeting of Las Vegas Rotary club Thursday noon, there was an attendance of 100 percent of the membership. Tommy Thompson, whose group had made a perfect record of attendance for the past three months, was presented with a handsome Rotary pin in recognition of his success.

President Marion Earl called attention to the Tri-State Rotary meeting to be held in St. George next Saturday evening, and approximately ten Rotarians and their ladies announced their intention of attending.

Rev. Moreno of Westside Mission, introduced by K. O. Knudson, delivered an eloquent "Christmas Message" to which the Rotarians gave close attention.

Mrs. Flora Mitchell appeared with a group of young people forming the colored quartettes of the high school and the grammar school and gave several delightful Christmas songs. Those singing were: Dorothy Robinson, Cecil Simpson, Olive White, Shirley Christensen, Purcell Powell and Henry White, with Mrs. Mitchell playing the accompaniments on the piano.

Mrs. Mitchell, who is a graduate of the Boston Conservatory of Music and has studied under eminent vocal masters in Paris, France, has brought her pupils to a considerable degree of musical skill. The selections were much appreciated by the Rotarians.

President Earl read a letter from Coach Doug Dashiell and Captain Bob Lias, expressing appreciation for the courtesies shown the football team by the Rotary club.

CHRISTMAS PAGEANT AT HIGH SCHOOL

Each morning the past week there has been a Christmas entertainment in the Domestic Science room at the high school. The room had been beautifully decorated and provided a most attractive setting for the Christmas Pageant written by Lewis E. Rowe. The story was read by Mrs. Santa Claus and enacted by children of the Fifth grades. Each morning a group of the younger children attended, accompanied by their teachers. The children added their own special numbers to the program. In addition each grade had its own special Christmas tree. Each child brought a small package containing a gift which was distributed to the needy by the Christmas committee. It is hoped that every needy person in Las Vegas will be the recipient of "Christmas Cheer."

Racing Meet To Be Held at St. George On Next Week End

Jockey Hall will welcome many Nevada friends who attend the horse meet at St. George next week, December 26 to 30, inclusive.

Among those from Las Vegas who plan to attend will be a group of Rotarians of St. George, Cedar City, Needels, Cal., and Kingman, Arizona in a Tri-State Rotary meeting, at 7:30 p.m. (6:30 Vegas time) next Thursday, December 27. The Rotary dinner will be held at the Liberty cafe. All Rotarians with their ladies have been given a cordial invitation to be present and, if the memory of similar events held at St. George in previous years is to be relied upon, those who attend will have a most pleasant time.

Las Vegas will be represented by at least two fast horses, Dixie Kid, owned by Lambert Van Der Meer of the Oppedyk Dairy, and Tinker Tom, owned by Mrs. Daryl Burgess and trained by Mr. Burgess who, with Mrs. Burgess will attend the meet.

There will be some fine horses entered in the St. George race meet. Last Saturday 33 horses had arrived from Montana, Idaho and towns in Utah.

That there will be live interest in the St. George even is indicated by the large number of entries already on the track.

Two years ago it will be remembered, when John Miller, Dr. Martin, Dr. Park, Mayor Cragin and Daryl Burgess started horse racing in Las Vegas, St. George was most generous in bringing horses and taking part in the events. It is to be hoped that Las Vegas will now show an equally generous and enterprising spirit toward St. George.
