THE GRAND LODGE

Las Vegas is highly honored this week in the presence of the Grand Lodge of Masons of Nevada and the Masonic Grand bodies associated with the Grand Lodge.

It is an occasion to which the members of Vegas Lodge No. 32, F. & A. M., have looked forward with pleasant anticipation for more than a quarter of a century. The completion of the Masonic Temple a year ago made the realization of the high ambition possible.

The people of Las Vegas may well be proud of the position their city has achieved in becoming a "Grand Lodge" city. In years past Reno has been the only city able properly to accommodate and entertain such gatherings. Now we find that Las Vegas, with her Masonic Temple, Elks' club building and Eagles' building is able to share with the state metropolis in the duties and honors of entertaining statewide organizations.

The Age is pleased to reflect the sentiment of the people of Las Vegas in extending a hearty welcome to the visitors, many of whom come here for the first time. We sincerely hope that your stay has been pleasant; that you have learned something of the resources of your state which you did not previously know; and that when we bid you farewell you will depart from us with the desire to come again.

GARRETT GOES TO SEATTLE

Elton Garreett, member of the faculty of the Boulder City schools, is planning to leave shortly for Seattle, where he will take a course of study at summer school. He will drive by way of Yellowstone Park, Grand Coulee dam and other points of interest accessible on the way.

NUNGESSERS PICNIC

Mr. and Mrs. Earl W. Nungesser spent last Sunday picnicing in the mountains at Deer Creek.

WHERE SITS MacGREGOR

Our new Mr. McNutt pulls annoying technicalities in the Philippines to support his claim that he outranks President Quezon. He reminds us of the Dolly Gann-Alice Roosevelt battle for front seats.

McNutt will find out soon enough that wherever sits President Quezon in the Philippines "that's the head of the table," and that's the way it should be.

TIOGA ROAD OPENING

Park authorities expect to have Tioga Pass highway between Yosemite Valley and Mono Lake open by July 1, the Automobile Club of Southern California is advised.

Ray Baker Left Nevada Estate

RENO — A petition for appointment of administrator of the Nevada estate of Raymond T. Baker, former director of the United States mint and democratic party leader, was filed in the district court recently by William Woodburn.

The estate consists of real estate in the Newlands' Heights addition to Reno valued at \$22,500.

Baker died at Washington D. C., April 28, 1935, and heirs are listed as his widow, Delphine Dodge Godde of England; and two daughters, Anna Ray Baker, 3, of England, and Gloria Baker, 16, of Florida.

Woodburn was nominated for the position of administrator by Mrs. Godde, and a hearing on the petition will be held June 21.

OLIVES IN MOUNTAINS

Mrs. Witt Olive and sons, Ronald and Kenneth, who have been visiting relatives in Burbank Cal., are expected home this week. They plan to spend the summer at their cabin in Deer Creek.

What does a Bank do?

It Provides You With Complete Financial Service

YOU may never have had occasion to investigate more than one or two of the services a bank renders individuals. Perhaps your experience has gone no further than the savings department. If so, you would find in a discussion with the heads of the other departments many services which would benefit you.
