

Nevada To Aid In Safety Week

CARSON CITY, Nev., Aug. 10. — Gov. Charles H. Martin, of Oregon, has sent a letter to Governor Richard Kirman, Sr., asking Nevada's cooperation in the western safety campaign by declaring the period of August 16th to 20th as "Nevada Safety Week." The Oregon governor, according to the letter, has already declared such a "safety week" in his own state as a supplemental activity to the third annual convention of the Western Safety Conference. This conference will be held in Portland during the week August 17th to 20th, inclusive.

Governor Kirman replied to the letter, offering full cooperation and requesting that such publicity be given to "Nevada Safety Week" as may be possible.

Governor Martin in his letter has also extended an invitation to all citizens of Nevada, urging their attendance and particularly their support of the conference. Representatives from all of the western states, including California, Oregon, Washington, Idaho, Nevada, Utah, Montana, Wyoming, Arizona, New Mexico and Colorado will go to Portland for the meeting. Safety problems affecting industry, traffic, home and public, will be discussed and action taken to develop a uniformity of safety regulations and laws, in the various states, to prevent industrial and non-industrial accidents.

Governor Martin's letter follows:

"Dear Governor Kirman: The third annual convention of the Western Safety Conference is to be held in Portland, Oregon, on the dates of August 17th to 20th inclusive. This convention is being conducted to cover all phases of safety problems, including those of industry, traffic, home and public. Its main purpose is to develop a uniformity of safety regulations and laws and to devise methods and means to prevent industrial and non-industrial accidents.

"In support of this worthy cause we have declared the week of August 16th to 20th as 'Oregon Safety Week.' We request your cooperation by declaring in a like manner the same period as 'Nevada Safety Week.'

"It would be of great assistance if a special story were released through your state department to the newspapers on this subject. Other material is enclosed covering further details."

To which Governor Kirman sent the following reply:

"My Dear Governor Martin: Your letter of August 3, 1937, regarding the convening of the third annual convention of the Western Safety Conference in Portland, Oregon, commencing August 17, is before me and I am taking the liberty of referring the same to B. C. Hartung, secretary of Nevada's safety committee, with the request that such publicity be given to 'Nevada Safety Week' as may be possible."

Bernard C. Hartung, secretary of the governor's safety committee, will attend the Portland conference as a representative from Nevada.

TRUE BLUE

Do you really know the difference between huckleberries and blueberries? An agricultural expert tells us that huckleberries have ten large seeds — blueberries have a large number of very little seeds! No matter whether you agree with him or not, you'll want a few glasses of this spread to add to your Jubilee collection:

Spiced Blueberry Jam

4½ cups (2¼ lbs.) prepared fruit
7 cups (3 lbs.) sugar
1 bottle fruit pectin

To prepare fruit, crush or grind about 2 pounds fully ripe blueberries. Add 1 teaspoon each cinnamon, cloves, and allspice, or any desired combination of spices.

Measure sugar and prepared fruit into large kettle, mix well, and bring to a full rolling boil over hottest fire. Stir constantly before and while boiling. Boil hard 1 minute. Remove from fire and stir in bottled fruit pectin. Skim; pour quickly. Paraffin hot jam at once. Makes about 12 glasses (6 fluid ounces each).

LOS ANGELES CONFESSION BRANDED AS A HOAX

HOLLYWOOD — A 33-year-old ex-convict arrested on suspicion of forgery, "confessed" that he and two companions murdered Jake Lingle, Chicago Tribune reporter, in a killing for which a St. Louis gangster is serving sentence.

Police Lieutenant S. H. Jackson, after listening to the story of a man booked as Roy Ward, branded it an apparent hoax.

Ward, known under several aliases, said his real name was Frankie Fisher.

Police said he voluntarily blurted out a sensational story that he and two other gunmen were hired to waylay Lingle and put him to death six years ago. He said he received \$2,000 for his part.

He named as his accomplices, Frankie Pope and "Machine Gun" Jack McGurn, both of whom now are dead.

TENNIS CHAMPION BOOKED FOR AUSTRALIA

Donald Budge and his compatriot, Gene Mako, are to visit Australia later in the year with two other American players.

It is the custom in certain South American movie theatres, when patrons express marked disapproval of a picture, to stop it and start another. On the other hand, scenes loudly applauded are run over again immediately, and as often as demanded.
