

Wildcats Burn The Carbonites

The Las Vegas Wildcats were a battling bunch of footballers last Saturday when they defeated the Carbon High Dinosaures from Price, Utah. After a thrilling first half the Wildcats led the game with the score standing 13 to 7.

The Wildcats scored the first tally of the game when Montgomery went over the goal from the 10-yard marker on a reverse. Woofter failed to convert for the extra point. Score, 6-0.

Carbon came back in the second stanza, and after backing the Wildcats to their own goal line, blocked a punt by Montgomery on the eight yard line. At this point Corey, 205-pound back for Carbon, was rushed into the game and pushed over the first tally for his team. His conversion was good for the extra point. Score, Carbon 7, Las Vegas 6.

This did not stop the Wildcats, and with Capt. Ray Warren at the helm, pushed over another score at the close of the half. Woofter converted, making the score stand at half time, 13-7.

The third quarter saw the Dinosaures come back, and again, with the aid of Corey, another tally that tied up the game. Corey's conversion was good for the extra point. Score 14 to 13.

After that it was the Wildcats all the way, with Montgomery and Capt. Ray Warren in on every play. The third-quarter was a walk-away with the Vegas boys doing the honors and scoring two more, and then one in the first part of the fourth quarter. Conversions that were tried for extra points were no good the rest of the day. Final score, Las Vegas 31, Carbon 14.

Outstanding players for the Vegas team were Earl Montgomery, Capt. Ray Warren, Bill Woofter and Joe Kelly. Corey carried away the high place honors for his team.

Touchdowns made, Earl Montgomery 3, Ray Warren and Woofter one each.

Conversions for Vegas, Woofter 1. For Carbon, Joe Corey two touchdowns and two conversions.

Salt Lake City Honors Alward

Lieut.-Governor Fred S. Alward returned Monday from Salt Lake City, where he was an honored guest at the L. D. S. conference.

As the guest of Col. Walter S. Fulton, Alward reviewed a parade of the 38th U. S. Infantry at Fort Douglas. He also found time to football game last Saturday between B. Y. U. and Utah State University.

NEW MEMBERS FOR CHAMBER OF COMMERCE

El Portal Electric Company, under management of Ed Borsack, was admitted to membership in Las Vegas Chamber of Commerce Tuesday on the recommendation of the membership committee.

The application of S. B. Henderson, Kraft products, was received and referred to the committee.

Nevada Central Wants To Quit

The interstate commerce commission has received a request from the Nevada Central Railroad Co. for permission to abandon its line.

The Nevada Central is a narrow gauge road operating between Austin and Battle Mountain, a distance of 93 miles. It was built in 1880 when the mines around Austin were big producers.

The railroad's charter expires in 1938 and the territory served does not provide sufficient business to make the road self-sustaining, the petition alleges.

All these years the company has maintained a daily service, either a train when there was freight to warrant it, or a motor car for passenger use.

Cragin Presents Motion Pictures

Ernie Cragin, program chairman for the day, showed a reel of interesting and beautiful colored motion pictures at the Rotary meeting Thursday noon.

The general subject was horses and many famous steeds were shown in a large variety of activities. The program was prepared to encourage holding a racing meet in Las Vegas this fall.

THE CULLYS RETURN

Mr. and Mrs. Henry Cully have returned from their honeymoon trip and are at home on South Eighth street.

Rotarian Head To Visit Here

Marvin Parks, president of the 107th District of Rotary, in which Las Vegas is located, will make his annual visitation to the Boulder City and the Las Vegas clubs next December first and second, respectively, according to the announcement made Thursday by President Frank Gusewelle of the Las Vegas club.

Called To Utah On Sad Mission

Mr. and Mrs. E. A. Parsons were called to their home in Smithfield, Utah, Thursday by the sudden death by drowning of their little grandson, Bobby Folkerson.

The little fellow was the son of their daughter and was three years old.

Fire Endangers Kramer Building

The fire company was called out Saturday afternoon when fire was discovered in a small frame house in the rear of the Modern Market.

The building, the property of Mrs. Anna M. Kramer, was slightly damaged.

MISS CRANER VACATIONS IN SAN FRANCISCO

Miss Josephine Craner is enjoying a vacation in San Francisco.

B. & P. Women To Give Dinner

The Las Vegas Business and Professional Women will entertain with a dinner Monday evening. The honor guest will be Dr. Mary H. S. Hayes, director for the National Youth Administration.

Reservations for the dinner may be made with Mrs. Robert O'Connor, telephone 707 or 153 before noon Saturday.

Chief Trimble Visits Coast

Chief Ranger Trimble and his wife of Boulder City are enjoying a vacation.

While away they will visit their daughter in Yuma and spend a little time in the coastal cities.

JUDGE HATTON HERE

Judge Wm. Hatton of Tonopah was in Las Vegas Thursday on official business.

WORLD'S RECORD SET

Last week at the annual Modesto Air Show Miss Evelyn Hudson, one of America's foremost women fliers, officially established a new world's record solo non-stop flight in the light plane class. She stayed aloft for 33 hours and 9 minutes. Refueling was accomplished by contacts between Miss Hudson's plane and a Pontiac "8" convertible coupe driven by Ted Ellis, well-known test driver. All contacts were made at better than 70 miles an hour, and 42 were established during the flight.
