ARE YOU ONLY A THREE-QUARTER WIFE?

MEN, because they are men, can never understand a three-quarter wife—a wife who is all love and kindness three weeks in a month and a hell cat the rest of the time.

No matter how your back aches—how your nerves scream—don't take it out on your husband.

For three generations one woman has told another how to go "smiling through" with Lydia E. Pinkham's Vegetable Compound. It helps Nature tone up the system, thus lessening the discomforts from the functional disorders which women must endure in the three ordeals of life: 1. Turning from girlhood to womanhood. 2. Preparing for motherhood. 3. Approaching "middle age."

Don't be a three-quarter wife, take LYDIA E. PINKHAM'S VEGETABLE COMPOUND and Go "Smiling Through."

Science Rewards the Gas Range

HAVE you ever wondered what a scientist looks like? Above is pictured conducting a broiling temperature test on a new model gas range in the famous testing laboratory of the gas industry at Cleveland, Ohio. This is but one of more than 500 scientific tests a range must undergo before winning the laboratory seal of approval, which means the range will give long and distinguished service as the peer among cooking appliances.
