# Career Ends for Thomas A. Nantz

Thomas A. Nantz, for many years identified with Las Vegas as the owner of valuable Fremont street frontage, died at the home of his daughter in Kansas City, Saturday night, February 19, 1938. He was 89 years of age.

Mr. Nantz and his daughter, Mrs. Grace Rightsell of Stevens Point, Wisconsin, spent about two weeks in Las Vegas during January, last, attending to business connected with the estate of his deceased daughter, Goldie. He visited Boulder Dam, Lake Mead and Charleston Park, and in spite of his age, enjoyed his visit and renewed association with old friends.

Returning to Kansas City, Mr. Nantz took a severe cold which developed into pneumonia. He had but partially recovered from that malady when uremic poisoning set it with fatal results.

Mr. Nantz, who for many years practiced law in Terre Haute, Ind., came to Las Vegas first at the time the townsite was opened and lots offered for sale in May, 1905. He then bought two lots on Fremont street adjoining the site of El Portal Theatre which he held until a few years ago when he turned them over as a gift to his daughter, Goldie, who died last November. His wife died several years ago.

Tom Nantz was of a hopeful and optimistic spirit which remained with him until the time of his death. He came to Las Vegas occasionally and had a firm belief in the greatness of this city's future. He was a kindly spirit, making many friends which he held through life.

The Age receives with sadness news of the passing of this fine character and extends to his sorrowing daughters the sympathy of all those in Las Vegas who knew him.
