**REMEDY WITHIN OURSELVES**

Afer one has read all the fine spun theories of politicians and political planners who confuse the masses with economic fairy tales while they slyly promote "authoritarian" doctrines, it is reassuring to read a statement like the following by James D. Hunter, President of the Bank of California, which has guarded the savings of its depositors for 74 years. When asked regarding the present economic situation, Mr. Hunter said:

"We are living in a very trying period. As a people we have come to think of the dollar as a thing of itself rather than what it will buy. A substantial reduction in production costs, with industrial peace, would create more employment and give such a greater relative purchasing power as to far outweigh the seeming temporary loss. Honest work is the best answer to our grief. When working, we haven't time to think of what, in idleness, seems trouble.

"What does it profit an industry or a labor group to get prices up to the point of diminishing returns, if a great mass of people have to go on short rations? It is neither economically nor morally right. I think the question will answer itself in the fact we have approximately 130,000,000 people who must be fed, clothed and housed, and the weight of their numbers will bring about a proper adjustment as soon as they realize what it is all about."

**Rotary Dinnr  
Saturday Night**

President Frank Gusewelle, at Thursday's meeting of Las Vegas Rotary Club, announced that the long planned Rotary party at which the Cedar City and Las Vegas clubs will entertain the St. George and Boulder City Rotarians as the result of the attendance contest completed several months ago, will be held at the Meadows Saturday night, March 12, beginning at eight o'clock.

There will be no change because of the recent storms, the highways now being open in all directions.

James Cashman, chairman of the entertainment committee, reported for himself and Otis Smith, the other member of the committee that a fine program of entertainment will be ready for the party.

President Gusewelle reported that reservations have been made for 20 from Cedar City; 35 from St. George 55 from Boulder City, and that 81 places have already been reserved by members of Las Vegas Rotary with the probability of a dozen more.

It is predicted that the Rotary party will be one of the gayest of the many social events Rotary has sponsored in Las Vegas.

**Jews Celebrate  
Feast of Purim**

Members of the Jewish faith will assemble at their homes and places of worship Saturday and Sunday and again on March 17 and 18, to celebra.e the ancient Feast of Purim.

The festival commemorates the release of the Jews from an order for their massacre, issued by King Ahasuerus under the influence of the wicked Haman. Because Queen Esther, abetted by Mordecai, persuaded the King to countermand his order, her name and work were immortalized and the book of Esther is read annually at the Feast of Purim.

**HOW OFTEN CAN YOU  
KISS AND MAKE UP?**

**F**EW husbands can understand why a wife should turn from a pleasant companion into a shrew for one whole week in every month.

You can say "I'm sorry" and kiss and make up easier before marriage than after. Be wise. If you want to hold your husband, you won't be a three-quarter wife.

For three generations one woman has told another how to go "smiling through" with Lydia E. Pinkham's Vegetable Compound. It helps Nature tone up the system, thus lessening the discomforts from the functional disorders which women must endure in the three ordeals of life: 1. Turning from girlhood to womanhood. 2. Preparing for motherhood. 3. Approaching "middle age."

Don't be a three-quarter wife, take **LYDIA E. PINKHAM'S VEGETABLE COMPOUND** and Go "Smiling Through."
