

APPRECIATION

I must express my appreciation of the confidence reposed in me by the people of Clark County in permitting me to be returned to the office of

COUNTY AUDITOR AND RECORDER

without opposition.

During the years I have been in office I have tried to serve the people of Clark county honestly, faithfully and efficiently. I take it as a high compliment that, by common consent, you permit me to continue my public service.

To my friends, both Democratic and Republican, I wish to say

THANK YOU!
