H. E. (Hap) Hazard, candidate for the Democratic nomination as member of the State Assembly, appears to be near the front rank among the favorites in the race of "The Thirteen."

"Hap," as he is called by hundreds of close friends, is one of the most prominent members of the veterans' organizations. He has been active in civic affairs and always on the lookout for a chance to do a favor for a friend or perform a service to the community.

If "Hap" is elected a member of the Assembly we will rest assured that his influence and his vote will be on the right side of every question affecting the welfare of his constituents. Of one thing we are sure—"Hap" Hazard, as a member of the Legislature, will be found able, efficient and sincere in whatever he undertakes.

# Doctor Woodbury Is Public Spirited

Those who know Dr. Clare W. Woodbury best know that he is moved by no unworthy motives in his candidacy for state senator.

For a considerable term of years

Dr. Woodbury has devoted his time and efforts, night and day, to the alleviation of human suffering, and his whole existence is wrapped up in that work. His ambitions are entirely directed toward securing means to better the health and make easier the existence of his fellow men.

In his strenuous application to his work the past few years in Las Vegas, Dr. Woodbury has seen the desirability of securing a government hospital for the southern Nevada area, as well as the need for the greater protection of the public health.

He feels that two months' service in the State Senate would not only provide an opportunity to serve the people of the county and the state, but would at the same time afford him some surcease from the close confinement and strenuous efforts he has been giving to the practice of his profession.

The Hopi snake dances this year will be held at Hotevilla August 23, Chimopovi August 25, and Shipaui on August 28, says a communication from the Roman Hubbell Navajo Tours, Gallup, N. Mex., to the Automobile Club of Southern California touring bureau.

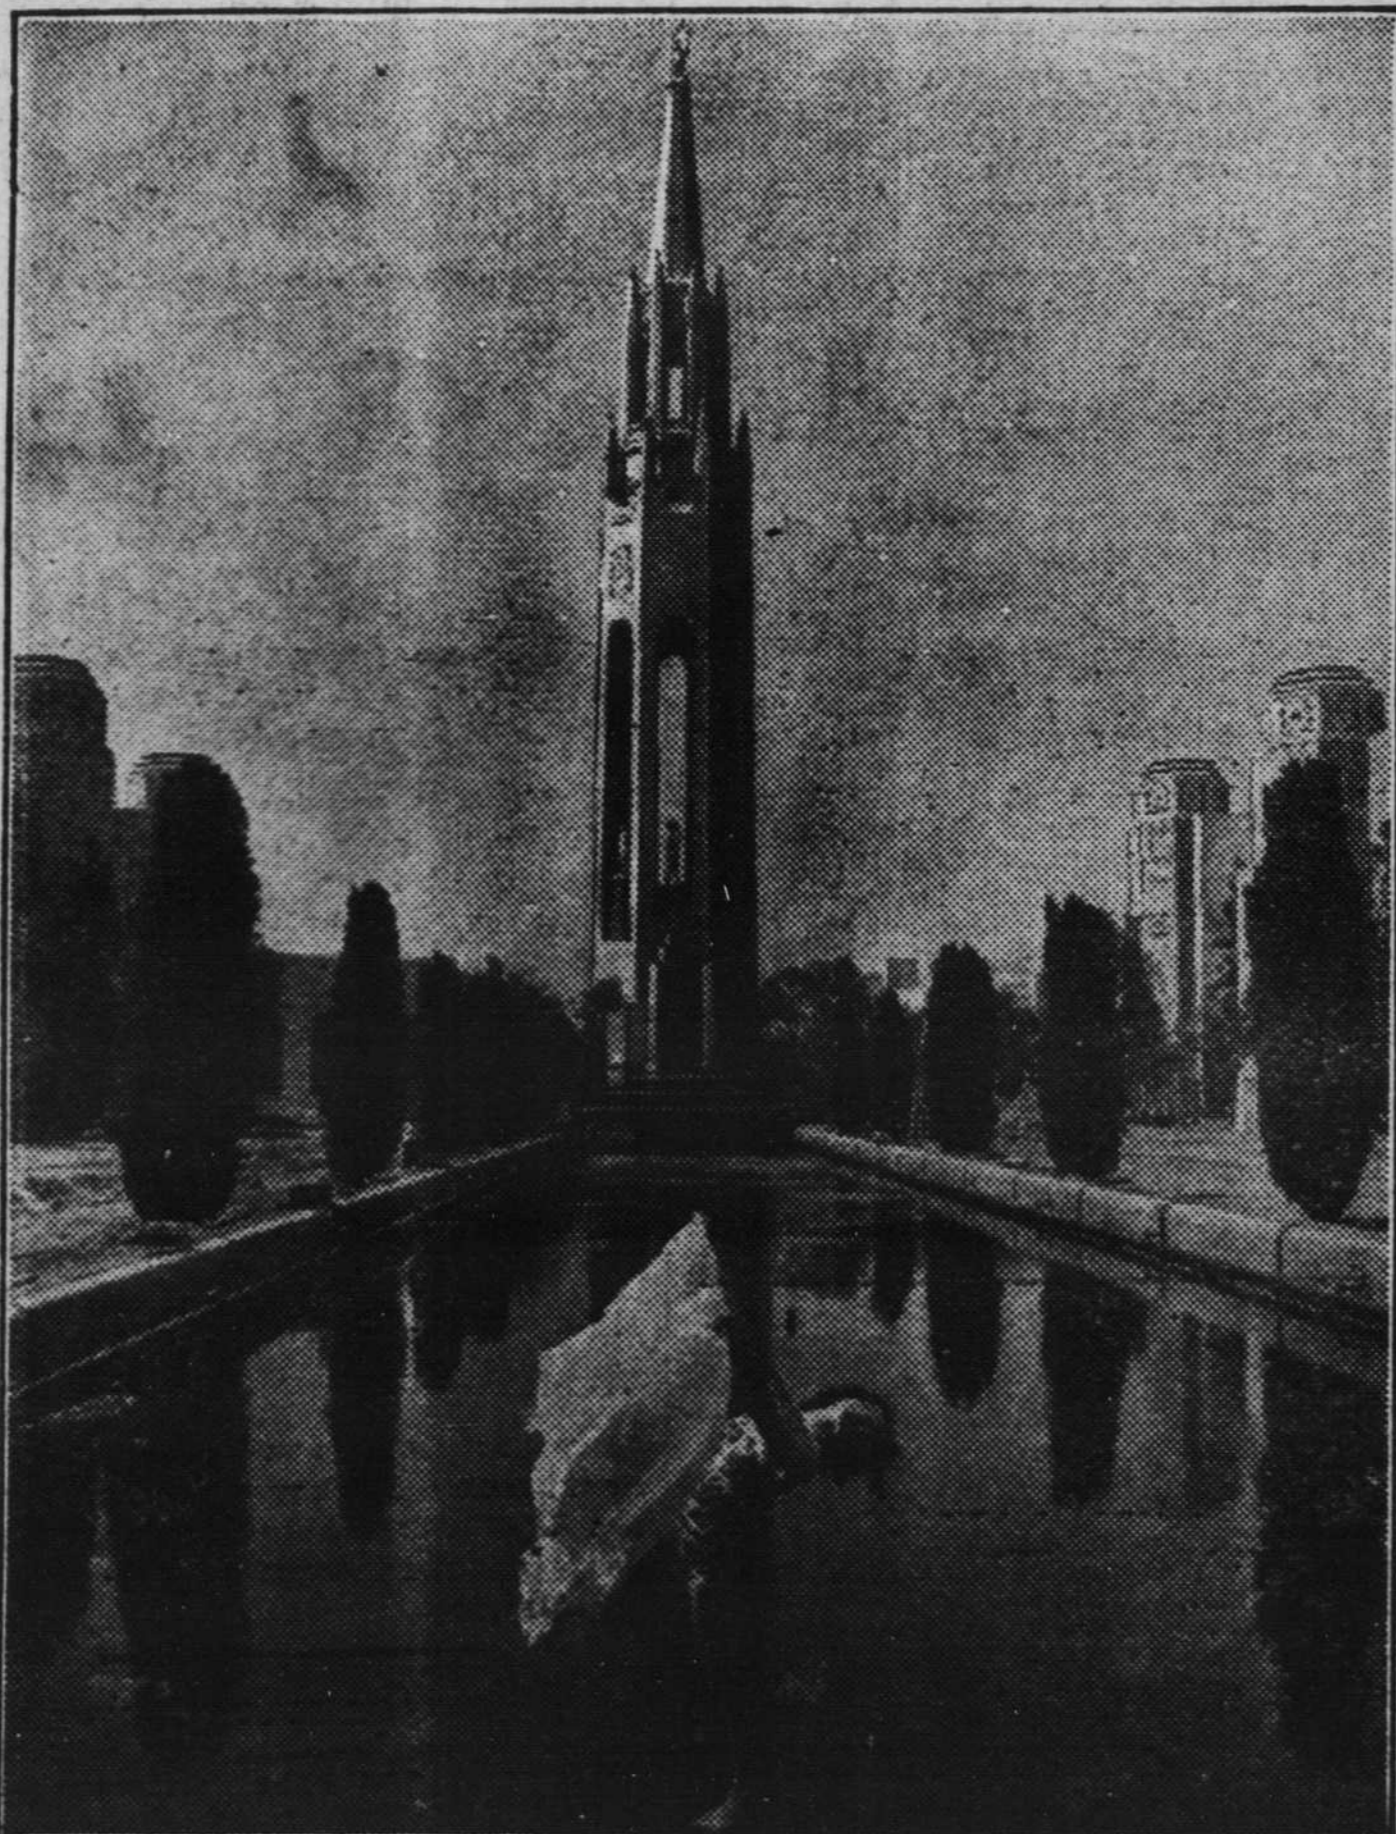

The government's administrative organizations at Washington were denounced the other day before the American Bar Association as "alphabet boards". We had been under the impression that some of them must be "weegie" boards.

Formal dedication in September of the new Blue Water International Bridge connecting Port Huron, Mich., and Sarnia, Ont., will be marked by the presence of President Roosevelt of the United States and Governor-General Lord Tweedsmuir of Canada. The picture shows the publicity car loaned by Pontiac Motors for the ceremonies posing under the bridge span with one of Port Huron's attractive young women.
