

NEVADA SPEAKS OUT FOR PAT MCCARRAN

Local Editors, Spokesmen For The People Our Own State Express Their Approval

PAT MCCARRAN'S RECORD

HUMBOLDT STAR:

"The ability of Senator McCarran to shove through legislation necessary to Nevada's best interests, despite strong opposition, is characteristic of his record established from his very first introduction to national legislative halls."

LAS VEGAS REVIEW-JOURNAL:

"Senator Pat McCarran has made an outstanding record of which all Nevadans, regardless of party, can well be proud. — He has become recognized as one of the more brilliant legislators in national affairs. He has worked tirelessly and unceasingly for the social betterment of the rank and file of the American people. He has been an indefatigable worker for the interest of every citizen among his constituency, and has achieved a position of power in the legislative body of which he is a member. With these things in mind, then, the Las Vegas Review-Journal, thinking only of the best interests of the state, wholeheartedly offers its endorsement of his candidacy."

ELKO INDEPENDENT:

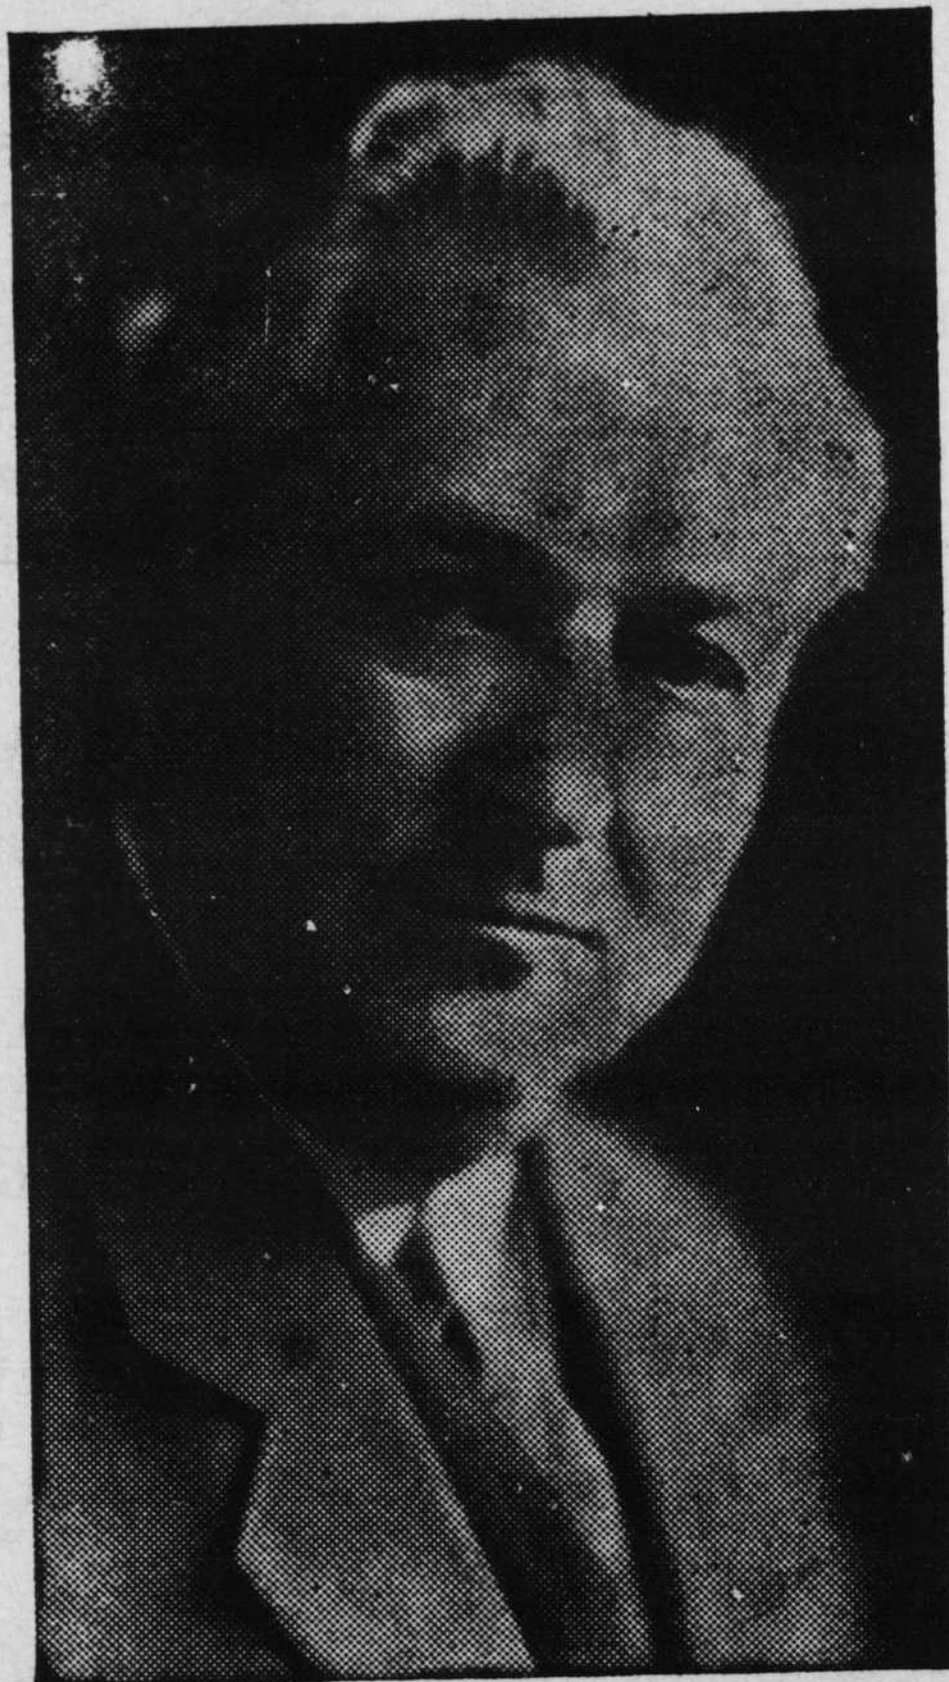

Nevada is fortunate, indeed, in having a man of Senator McCarran's courage and ability in the U. S. Senate. — There are still a few men left to whom, in the words of Elbert Hubbard, 'An ounce of loyalty is worth a pound of Cleverness.'"

CALIENTE HERALD:

"Nevada is signally fortunate in its representation in Congress. — Senator McCarran, rated as one of the best orators in Congress, a native of Nevada who knows Nevada's needs and tackles every problem with fearless enthusiasm."

LOVELOCK REVIEW-MINER:

"Ordinarily we do not come out for any particular candidate in the political field, but this year we have violated our rule in favor of Senator Pat McCarran. — First of all, we have been won over to this statesman by his insistence upon using his own brains. He has carried his superior ability as a jurist into the framing of laws in congress. McCarran has built up such a prestige in Washington that he can do many fine things for Nevada. His attainments during his first six years in the senate have been very unusual and have placed the senator in a position to not only defend the interests of the state, but to add to them."

LAS VEGAS AGE:

"We are proud of the record he (Senator McCarran) has made in the senate."
