

Roland H. Wiley Is Able County Attorney

A man displaying such efficiency and sincerity in handling matters coming before him as Clark County District Attorney, is entitled to all the praise and good faith given him by the people of Clark County. Mr. Wiley's determination to fulfill his duties as County District Attorney to the perfect satisfaction of his supporters has been shown by the clear results given us in the past.

Roland H. Wiley has one of the finest records of any man ever to serve the people in this capacity. His discriminating, sincere methods of handling intricate matters of importance have assured his constant support. He is one of the most honest, straight-forward leaders now in office, striving towards real progress and permanent prosperity. He strikes at his objectives with the quiet determination always shown by him in the past.

His remarkable understanding of the problems pertaining to his office is well shown by the results obtained. Beyond a doubt, Roland H. Wiley is one of our foremost leaders, a fact which is fully appreciated. His services as County District Attorney are to be commended.

Teamwork In Serving You

Good telephone service is a mutual undertaking in which the person calling, the telephone people, and the person called are all equally concerned. The employees of the Southern Nevada Telephone Co. are eager to make your service completely helpful.

The most important thing about your telephone is the spirit of the men and women of the company who provide your service. The loyalty of these people to their work is reflected in every part of your telephone service. It shows in the continuous effort to make your service more comprehensive.

Because of this spirit we hope that you feel your needs for fast, complete and inexpensive telephone service are more fully met each year. Remember, the greatest asset of this company lies not in holdings or stock but in the skill, energy and purpose of the men and women who carry on in its work.

We, therefore, take this opportunity to publicly congratulate Mr. S. J. Lawson, the entire personnel, and the Southern Nevada Telephone Co. itself on a splendid record of achievement, and wish for them a continuation of their success.

Mesquite Grocery Wins High Praise From Housewives

The Mesquite Grocery located at 127-129 South First is the one store in this community where the housewife knows she can secure the best in foods at a reasonable price. This store is modern and up-to-date in every particular; clean and sanitary throughout. The business is conducted along progressive lines, and we are proud to say that it is a credit to the commercial life of this section. It is a local grocery with the interest of your home at heart.

At this grocery you will find the salespeople have the ability of giving you exactly what you wish, and a large or small order receives the same courteous treatment. Here the quality is high, and you receive always, the choicest of everything. All that is needed is a trial to convince the most exacting.

Thus, the public is assured of a market of the highest grade right here at home, and it merits the consideration and liberal support of everyone.

In this review, we wish to compliment Mr. Albert Melton upon his courteous and accommodating service, and to say that he has fulfilled a very great requirement in serving the public so well.

Fremont Beauty Shop Offers Excellent Service

The Fremont Beauty Shop is adept in all phases of beauty work and cater to the discriminating—those who desire the best in the latest methods of beauty culture. They keep in touch with all new developments in this line and thus you are assured of that personal touch so necessary to successful beauty operations.

After all beauty is contour. It is symmetry that creates a pleasant sensation in our minds when we see things that are lovely. The manager of this concern, Mrs. Jessie Gilbreath, has made a close study of the types and hair for so long that she is well able to advise in these matters; Mrs. Gilbreath realizes that each individual type must be met in dressing or bobbing hair.

This beauty shop will wave your hair as best suits the contour of your face, your type, and personality—or they will give you the style bob that fits.

This up-to-date beauty shop is a most valued asset to the community. Not many cities can boast of such an exceptional metropolitan service and in this review we wish to congratulate Mrs. Gilbreath and the Fremont Beauty Shop upon the attractiveness of their service.

City Iron Works Offers Good Service

No business transaction is complete without the entire satisfaction of the customer. Upon this principle the City Iron Works was founded. It has never deviated from its policy and consequently each year has added to its huge clientele.

The City Iron Works located at 309 South First have established an enviable reputation for expert work and reasonable prices. Much is received daily by this shop from the surrounding territory. It is a contracting shop that handles all work under one roof. The manager, Mr. C. H. Beckerman realized when he started into business that it was necessary to equip this shop in the most complete and modern style, and has installed the latest scientific machinery for all work. This is a great accommodation to the people, as autoists, manufacturers, farmers, and in fact, everybody has found the work will be executed correctly at much less cost than the purchasing of a new part, and it can be done in a shorter time, thus saving the endless delay in the ordering of new parts.

Las Vegas Land & Water Co. Is Friendly Public Utility

The Las Vegas Land & Water Co., located at 401 South Second street, is one of the most modern public utility concerns in Nevada.

With a broad vision of our future development the manager, Mr. W. R. Bracken, and his assistants have been planning and building not only for the present but for the years to come; and we predict that when the population of this area has doubled this utility company will continue to be one of the best conducted, best equipped, and most satisfactory of its kind operating within the borders of the state of Nevada. Just completed last month was well No. 3 for this company. The gallonage of this new well is in excess of 1,000,000 gallons of water daily and should prove ample to keep the water supply at a maximum at all times. The well crew is at present working on a well to be known as number four. The output from this well is expected to equal that of well No. 3.

The Las Vegas Land & Water Co. is at the present time engaged in the replacement of 19 miles of red-wood pipes with cast iron pipe of a larger diameter which will render a better service to the water users.

To this company must go no small portion for the progress and expansion of Southern Nevada. Its presence here since 1900 in active operation and under expert supervision is a factor that adds to the attractiveness of all the territory it serves.

LET'S MAKE MOTHER'S DAY A SPECIAL HOLIDAY FOR HER

Here Are Some Ideas If Others in the Family Will Take Over the Kitchen for the Day

It's becoming an American custom, and it's a nice one, too, that Mother's Day truly is her special holiday. That means that she won't have anything to do in the kitchen all day. She's earned this holiday for, after all, preparing 1,095 meals a year is no easy job.

You might go out to dinner, of course, but even better, why don't the daughter, the son, or maybe, Dad, take over the reins and really give her a treat.

The success of your meal, of course, depends on your choice of meat. Inez S. Willson, home economist, has an ace card up her sleeve to help you out on that score. Why not take advantage of the table-ready hams featured at your market?

Hams Excellent in Flavor

These hams are done to a perfection that would please the most critical connoisseur. No need for you to worry about the meal, for the meat will be excellent in flavor, it's all ready for the table and there's scarcely anything for you to do

but step back and take the bows for your choice.

You can plan a very interesting dinner, and different, by serving the ham cold, just as it comes from the market.

In keeping with the season and with a taste for the appropriate, serve tender green asparagus tips with the ham, mashed sweet potatoes to which you have added a small amount of pineapple juice for a flavor frill.

A crisp vegetable salad would be good, and if it isn't asking too much from one who is merely an invader in the kitchen, piping hot biscuits would make the meal perfect. Cater to Mother's special taste for dessert, and she'll be more than pleased with her day's vacation.

Ready-to-Eat Picnics

If a whole ham will be too large for your use, you will perhaps be interested in one of the ready-to-eat picnics which may be served in the same way. These modern meats can of course be heated and glazed, but they are so good you may prefer to leave them as they are. You can imagine their possibilities for buffet suppers.

Oasis Cafe Is Very Popular Eating Place

The Oasis Cafe located at 123 Fremont street has gained a name that has spread far and wide as a place where the traveling public as well as the home folks may secure the finest food obtainable.

At this cafe, the manager, Mr. Ernie Bihlmaier, selects the foods, scouring the markets and accepts only the choice and fancy foods for preparation. Their kitchen you will find most modernly equipped and all utensils kept scrupulously clean. There never is a question of sanitary laws at the Oasis.

The courtesy and attention of the attendants is a feature that receives more than passing notice from its patrons. Not only are the foods cooked like mother used to cook them, but you will find here the best foods in season from which to make your choice.

We take pleasure in complimenting this superior cafe on the high order of their establishment and refer them to our readers without hesitation. Stop in at the Oasis Cafe and enjoy some of their fine food.

Las Vegas Florist Home of Beautiful Flowers

"Say it with flowers" is a national slogan. The people of this community have a special reason to make it their slogan because few cities have a floral establishment so well fitted to make the floral message all that it should be as the Las Vegas Florist located at 530 South Third. No matter what the occasion for flowers—and they are many—this establishment is ready to fill the needs.

To the true florist the artistic arrangement of a pretty corsage which they know will be the cause of comment from all who attend the occasion at which it is worn is a pleasure. No one could love their work more than these well-know individuals who operate their business for the love of the work as well as for the material reward. The Las Vegas Florist has the ability to make up every wreath, every corsage, every bouquet, every basket of flowers so that each flower will show up to the best advantage.

But the making up of bouquets and baskets of flowers is only one specialty of these versatile artists. You may give a party or hold a wed-

ding at home or in their beautiful wedding chapel, and you will want the most beautiful decorations. Flowers are essential. This floral shop will not only furnish you with the flowers, but the florist will give you the benefit of their knowledge as to how to decorate your home.

We are happy to congratulate this modern floral shop and its capable manager, Mrs. Ethel Pott-hoff on their reputation for service and reliability.

Hartwell Sheet Metal Works Has Splendid Reputation

To those of our readers who are occasionally in need of the services of a sheet metal expert, we are performing a service when we recommend the Hartwell Sheet Metal

Works. Mr. Dan Hartwell has had years of experience at this business and has built up a business of which he may well be proud. The sheet metal business is one which requires the most careful attention to detail and to the needs of the individual customer. Mr. Hartwell is noted for his workmanship and the efficiency with which he undertakes each job.

It is a pleasure for us to be able to make a recommendation of this kind. The Hartwell Sheet Metal Works specializes in the installation of cooling systems, heating systems, and building accessories. The economy of this shop has often been demonstrated and when price is a consideration, no other firm will offer a more attractive figure.

The Hartwell Sheet Metal Works is located at 830 South Main.
