For the service man who smokes a pipe or rolls his own, no finer gift could be sent than a pound of his favorite tobacco. Surveys among men in camp and on ship-board show that tobacco is the gift most appreciated. Local dealers are now featuring pound cans of Prince Albert Smoking Tobacco—the world's largest-selling pipe tobacco—to send to men in our armed forces, a favorite with many a pipe-smoker or roll-your-own fan in the services.—Adv.

Kidneys Must Work Well

For You To Feel Well 24 hours every day, 7 days every week, never stopping, the kidneys filter waste matter from the blood. If more people were aware of how the kidneys must constantly remove surplus fluid, excess acids and other waste matter that cannot stay in the blood without injury to health, there would be better understanding of why the whole system is upset when kidneys fail to function properly. Burning, scanty or too frequent urination sometimes warns that something is wrong. You may suffer nagging backache, headaches, dizziness, rheumatic pains, getting up at night, swelling. Why not try Doan's Pills? You will be using a medicine recommended the country over. Doan's stimulate the function of the kidneys and help them to flush out poisonous waste from the blood. They contain nothing harmful. Get Doan's today. Use with confidence. At all drug stores.

The Once Over by H.I. Phillips THE PAPERS OF PRIVATE PURKEY

Dear Harriet:

I have not heard from you in a couple of weeks now. What is the matter? I know you are in the WAACs but you are so quiet I wonder if you are in the guardhouse. I can't sleep nights from worrying over whether you have talked back to Oveta Culp Hobby or somebody. Write me at once while my morale can still be saved.

I just wrote a piece for Yank, the A.E.F. paper. It is about more of Purkey's Peace Plans. I have got to think up some new idea. I got an idea for Hitler's punishment, I would have him sentenced to paper the Great Wall of China using paste which has been so diluted that it won't stick. Mussolini we can forget now. He is such a strain on Hitler that maybe we should give him a medal for an assist after the war and just use him for blowing up tires.

There is just one thing that will punish Japan enough. That is to confiscate all cameras in the country and forbid any importations of them. A Jap never suffers so much as when he is going around with no camera.

Some of these Purkey Peace Plans which I sent to Yank are as follows:

- 1—A world commission to check up every ten days and see that nobody is working on any new plans for a new order anywhere.
2—Nobody on the losing side is to be allowed to write a book, start a secret society or get hold of a gavel.
3—The Peace Commission has got to pass an agreement for immediate action by force the minute anybody in Europe or Asia is found to be working on a new emblem.
4—All use of airplanes for bombing has got to be ruled out and in the case of Germany she has got to be stopped from even fooling around with boxkites, gliders and plane models.
5—The first delegate from any nation to a League of Nations meeting who gets up and starts using double talk instead of plain language whenever any member starts jumping on some small nation must be booted in the oil.
6—The United States must keep all its scrap iron at home just in case for the next 50 years and we can sell Japan nothing except waste rags to stuff in the extra slots with the Japs have put in all army shoes for big toes.
7—Tokyo is to be renamed Midway Center.
8—Berlin is to be rechristened New Hyde Park.
9—Herman Goering is to be sentenced to spend his life as a free balloon.
10—I got a great idea about Goebbels. The Peace Conditions must make him keep talking. Nothing will sound funnier and do more to make Germany sorry.

I got some other things I would like to see happen as a result of the war. I wish along with all the other freedoms it could free us from paper napkins, paper towels, musical auto horns, No Parking signs, James Caesar Petrillo, watered orange juice, photo finishes, new vitamins, long-winded radio commercials and girls who don't write their boy friends twice a week.

All my love, Oscar.

The Tax Office Speaks We've taxed you on your earnings—We've taxed you on your time; We've taxed you on your taxes—We haven't left a dime.

"In two suits for divorce wives in Atlanta, Ga., have complained that their husbands refused to surrender their ration books."—News item.

As someone writes in the remark, "The big fight in the divorce courts from now on is going to be over the question which gets custody of the sugar, gas and oil coupons."

ALL DONE BY MIRRORS "He was convicted in April, 1941, of evading taxes of half a million dollars and sentenced to three years. Later his tax evasion sentence was suspended and he was allowed to plead guilty to a lesser charge and sentenced to a year in prison. He was released yesterday after serving four months and five days."—N. Y. Times.

How about an apology from the government and reimbursement for any loss of time and money?

ON THE HOME FRONT RUTH WYETH SPEARS

DON'T throw away that frayed wicker chair for with a little expense in time and money it may be made to serve for the duration. The sagging arm rest, magazine holder and frayed-out wicker around the legs should be re-

moved. Cotton batting is then basted to muslin and sewn to the chair. The sateen cover for chair and cushion is made next. The tufting is done by sewing through the cover, padding and openings in the wicker work with carpet thread and a long darning needle; adding a button at each stitch.

NOTE: This chair remodeling idea is from BOOK 7, of the series of booklets which Mrs. Spears has prepared for readers. Book 7 also gives directions for a dining room cupboard; spoons, boxes and orange crates made into useful furniture. A washstand, an old buffet, and some chairs are remodeled. Thirty-two pages of illustrated directions for 10 cents postpaid. Address:
