

Cubs Busting Out of Cellar

By CARL LUNDQUIST
United Press Staff Correspondent

NEW YORK, May 27 (UP)—The Chicago Cubs, so firmly embedded in last place that they couldn't even get out with a seven-game winning streak, served notice today on their seventh place neighbors that they were ready to "move in."

Behind the business-like pitching of Henry Wyse, the Cubs took their seventh in a row, winning 3 to 2 at Boston on a pinch double by Bill Schuster in the ninth after two were out. Schuster drove in Don Johnson with the winning run after the Braves tied the score 2-all in the third inning. Bill Nicholson, the Cubs' long ball specialist, hit a first inning homer with Ival Goodman on base, Boston dead-locking it on successive doubles by Max Macon and Tommy Holmes and Elmer Nieman's single. It was the third straight victory for Wyse, who held the Braves to six hits.

The Cincinnati Reds, getting their usual good pitching, blanked the Brooklyn Dodgers 2 to 0, with the veteran Ed Heusser getting his third victory and his second shutout this season. Curt Davis, dean of the Dodger hurling corps, remained on even terms with Heusser until the eighth when the eds broke a scoreless tie on a single by Gerald Walker. They added the clincher in the ninth on a single by Eric Tipton, a sacrifice by Eddie Miller and a single by Steve Messner.

The St. Louis Cardinals, sparked by two homers from the bat of George Kurovski, maintained their fat lead in the National League, defeating the Giants at New York 6 to 4. Starting Pitcher George Munger had to help from Harry Gumbert in the seventh but received credit for his fifth victory against one defeat. John (Pepper) Martin, aging Cardinal outfielder, got a homer and a single and started the winning rally in the sixth when Manager Mell Ott of the Giants fumbled his grounder. Ott also got a homer, giving him and Kurovski a tie with Howard Schultz of Brooklyn for the league lead with six each.

The St. Louis Browns, supporting the four-hit pitching of Sig Jakucki with an early lead, defeated the Boston Red Sox 4 to 3, for their third victory in the four-game series. The Browns took the lead in the third inning when Mark Christian drove in Vernon Stephens with a double and Jakucki pitched shutout baseball the rest of the way.

Two streaks ended at Chicago when the White Sox defeated the Yankees 4 to 3 to stop their losing skin at five and New York's winning streak at four. The Sox gave Pitcher Bill Dietrich errorless support, enabling him to chalk up his fourth victory.

Jeff Heath singled in the 12th with the bases loaded to give Cleveland a 5 to 4 victory over Washington at Cleveland. Heath's blow scored Roy Cullenbine with the winning run. It was the second extra inning game in as many days, the Senators winning a 13-inning battle yesterday.

The Detroit Tigers won their first victory in seven games at home, defeating the Philadelphia Athletics 2 to 1 in 10 innings. Two walks, a single and an infield out produced the winning run. Hal Newhouser, winning his sixth game against three defeats, held the A's to five hits.

Pittsburgh at Philadelphia, a scheduled night game, was postponed because of rain.

Nova Champ For "Duration"

GALVESTON, Tex., May 27 (UP)—Lou Nova, California boxer, today claimed the "duration" heavyweight boxing title and challenged Joe Baksi of Kulpmont, Pennsylvania, to a "championship match" at Madison Square Garden.

Nova, here for a Tuesday night bout with Jimmie Webb based his claim to the title on the contention that he was the top active heavyweight not now in military service. The "duration" title, not officially recognized by any boxing association, previously was held by Jimmy Bivins of Cleveland, who was inducted into the army early this year.

Frankie Pacasee, Nova's manager, offered to post a \$2,500 bond with the New York boxing commission to guarantee that Nova would defend his title against all comers. He said Nova could come to New York to fight Baksi, winner of a bout there against Lee Savold of Des Moines last night, after completing engagements at Oklahoma City and Tulsa, Oklahoma.

Coaches Take Cue From Pro Games

By JACK CUDDY
United Press Staff Correspondent

NEW YORK, May 27 (UP)—The American College football coaches' association, meeting tomorrow in "emergency session" for the first time during the war, may take a cue from the professionals and effect new rules to make the game more appealing to spectators.

The meeting was called because of pressure from a liberal faction within the association, which contended that the agreement to "freeze" collegiate grid rules for the duration was putting the game behind the times. Chairman Lou Little of the rules committee, admonishing the coaches that the policy of "freezing the rules may find us frozen out," indicated he would concentrate his efforts on penalizing the out-of-bounds kickoff play. The Columbia mentor, stating that common use of the kickoff to the sidelines had taken the spark from one of the most dramatic plays in the game, also recommended five other changes in regulations, which he said should be effected immediately.

1—On the out-of-bounds kickoff, the receiving team to be given the option of taking the ball on the 50-yard line or of penalizing the kicking team 10 yards and forcing it to kick again, with succeeding out-of-bounds kicks to call for additional 10-yard penalties.

2—Forward passes to be made anywhere behind the line of scrimmage.

3—Permitting the defensive team to advance a free ball on recovering it.

4—Clarification of the off-side penalty rule.

5—When attempted lateral pass beyond line of scrimmage results in a forward pass, the ball to be returned to the spot where the pass was thrown instead of to the spot where it was put in play.

Little said that coaches he had polled agree that the offense should "be dominant," and that the "Defense will take care of itself."

Although not all of Little's recommendations are expected to be adopted, the out-of-bounds play may go into oblivion regardless of whether there is legislation against it. The Big Ten conference coaches in their spring meeting this week entered into a "gentleman's agreement" not to use it and other coaches were expected to do likewise.

OLD GAME TOUGHER

Rusty McIntyre, end on the Butte, Montana, northwest high school champions of 1907-8, smiles at spring football training and says the old game was tougher, with few time outs, small equipments and little equipment. He points to the time when the interference picked up the man with the ball and the end had to tackle the whole backfield. Also to the fact that De Witt, Spokane star, whom he played against, had a broken vertebrae in his neck, played with a steel brace clamped to his head and neck and went on to star for four years at Princeton.

Rusty, with the Tower Club, is here for his health, likes Nevadans and is a Las Vegas booster.
