MUSLIM SPLIT MAY BROADEN

Will there soon be a split within the ranks of the Black Muslim movement of self-styled Messenger of Allah Elijah Muhammad?

The question arose among observers as Malcolm X (Malik El Shabazz)

second in command in the movement was sharply censured by his superior. The reason--Malcolm X's ridiculing the assassination of President John F. Kennedy at a one-hour rally in New York City. Calling the President's slaying by a sniper in Dal-

Paul's Letter to the Corinthians

"I will destroy the wisdom of the wise, And will bring to nothing the understanding of the prudent."

Where is the wise? where is the scribe? where is the disputer of this world? hath not God made foolish the wisdom of this world? For after that in the wisdom of God the world by wisdom knew not God, it pleased God by the foolishness of preaching to save them that believe. For the Jews require a sign, and the Greeks seek after wisdom; but we preach Christ crucified, unto the Jews a stumbling block, and unto the Greeks foolishness; but unto them which are called, both Jews and Greeks, Christ the power of God, and the wisdom of God. Because the foolishness of God is wiser than men; and the weakness of God is stronger than men.

For ye see your calling, brethren, how that not many wise men after the flesh, not many mighty, not many noble, are called; but God hath chosen the foolish things of the world to confound the wise; and God hath chosen the weak things of the world to confound the things which are might. And base things of the world, and things which are despised, hath God chosen, yea, and things which are not to bring to nought things that are: that no flesh should glory in his presence. But of him are ye in Christ Jesus, who of God is made unto us wisdom, and righteousness, and sanctification, and redemption; that, according as it is written, "He that glorieth, let him glory in the Lord."

las a case of "chickens coming home to roost," he added that "being an old farmboy myself, chickens coming home to roost never did make me sad; they've always made me glad." Muhammad, in rebuk-

ing his number two man said Malcolm's remarks were an inaccurate reflection of Muslim attitudes.

He said: "With the rest of the world, we are very shocked at the assassination of our President."
