Gov. Sawyer's Message

(Continued from Page 2)

I do not mean to say El Capitan or Hawthorne house the only barriers against equality in this state. Sadly, we still have a long way to go before equality for all of our residents will be achieved. But in other businesses, in other cities, appeals to reason and humanity have caused progress to be made. In the case of El Capitan, appeals on all levels appear to have been bluntly rejected.

It may be that I do you an injustice. If so I will appreciate your written notification that El Capitan does not and will not tolerate racial discrimination in any sense.

Picture Puzzle — \$5.00 to first person to phone correctly identifying the person in the puzzle. Pictured in last weeks puzzle was Robert Reid. Winner: Hannah Brown, 1318 "D" Street. Staff, advertisers, their families and employees are ineligible to win.
