(From Page 1)
grateful to District Juvenile Judge William Compton and Commissioner Harry Levy, chairman of the County Juvenile Probation Committee, "for their confidence in me and the support they have given me in conducting my office."

Mullen also paid his respects to District Judge David Zenoff, former juvenile judge; O'Callaghan—"my former boss who taught me the administrative ropes and left me such a fine staff"—and finally, his staff and "all those present and those not present who made it possible for me to be awarded this honor."

Mullen was cited for "outstanding community service during the calendar year 1963. . . Through his loyal, faithful and unselfish efforts, he has made a great contribution to his community, his state and his nation."

City Commissioner Phil Mirabelli, local businessman Darwin Lamb and Mullen were the three finalists among some 60 nominees for the Jaycees' top award for the past year.
