

BE A GOOD CITIZEN

FOUR NATIONS OUT OF BIG CONFERENCE

Malaysia, the Soviet Union, the Republic of South Africa and Israel are not among 62 nations that have been invited to participate in the second Asian-African summit conference next spring in Africa.

The dispute with Indonesia is blocking an invitation to Malaysia. Red China has objected to the Soviet Union being included in the conference and the United Arab Republic opposes inclusion of Israel. South Africa's racial policies apparently will exclude that nation.

TEST SITE COMMITTEE PROPOSED

Nevada Sen. Howard W. Cannon, left, discusses his Test Site industrial peace proposal with James Webb, right, administrator of the National Aeronautics and Space Administration, and Chairman Glenn Seaborg of the Atomic Energy Commission. The agency officials said Cannon's plan to establish a permanent "Special Test Site Committee" composed of business and labor leaders, and a full-time mediator to serve as chairman would receive their "full consideration."
