a shot at a big pot in the hitherto segregated Colonial Open at Fort Worth, Texas, starting today.

COLONIAL OFFICIALS phoned Pete immediately after being informed of his victory at Burneyville and tendered him an official invitation to the lucrative Texas event. Brown accepted with alacrity.

PGA tournament director Jim Gaquin told the VOICE that Brown's invitation to play at Fort Worth should go a long way toward persuading the Pensacola, Fla., and Memphis, Tenn., tournaments to abandon their positions as the last holdouts against integration on the tour. He said the PGA had just about convinced Pensacola officials to accept Negroes but that Memphis may prove a tougher nut to crack.

Sifford won a PGA-approved Long Beach, Calif., Open that was shortened to 54 holes in 1957 and took the 72-hole Puerto Rican Open on the Caribbean circuit last year, but neither victory qualified him for the T-C.

Brown is 29, weighs 200 pounds and stands 6-1 in height. Pete hits the ball long and low and has been in the money in half a dozen tournaments since being placed on the PGA approved-player list. His best performance was a 16th place tie at Bakersfield in 1962 for \$680.

A native of Jackson, Miss., Brown originally applied for his PGA card out of the Michigan section but is now registered from the Southern California section. He is sponsored on the tour by a Los Angeles physician, Dr. Martin Lichter, who was the first to congratulate Pete at Burneyville.

(LETTERS, from page 1)

In an address at the NAACP Freedom Fund Banquet and Rally here on April 26, Dr. King urged local residents to let Senators Bible and Cannon know that they favored the pending legislation, now being debated in the Senate. Dr. King pointed out that many senators had complained to him that organized opposition to the proposed law has been very strong and that similar efforts by those favoring the bill was urgently needed to counteract such opposition.

Senators Bible and Cannon should be addressed: U. S. Senate Bldg., Washington 25, D.C.

BARING NO MORE AFTER SIXTY-FOUR

When Walter Baring seeks your vote in the coming political race, remind him that last October he tagged Civil Right workers as Agitators. I am certain that, soon to be, ex-Congressman Baring could not live with his own conscience (Ed. note: I am ashamed of myself for assuming that Mr. Baring has a conscience) if he wooed the vote of agitators.

Mr. Baring was correct if he viewed me as an agitator, for I plan to agitate and continue to agitate right up to the November election, in a program to agitate Baring right out of his sugar plum chair in Washington.

DON'T BE A TRAITOR TO YOURSELF - DON'T VOTE BARING BACK INTO A POSITION OF CALLING US NAMES AND SELLING US DOWN THE RIVER.

We supported this man in 1962. We must destroy him in 1964, for violating the trust we placed in him. Our slogan must be,

"BARING NO MORE, AFTER SIXTY FOUR"

If you hear anyone talking in Baring's interest, shun that person - tell all your friends to shun him. Pass along the name of every spy and every traitor that speaks one kind word for traitor Baring. WE MUST DEFEAT WALTER BARING. WE CAN DO THE JOB IF WE VOTE TOGETHER. DON'T COMMIT YOURSELF TO ANY CANDIDATE NOW. We must wait until we find the RIGHT CANDIDATE, and we must all - EVERY SINGLE VOTER - put our political eggs in one nest. If we divide our vote we will be helping Walter Baring.
