

# BOAT OWNERS WARNED

Boat owners operating in Nevada waters are subject to citations unless their registration fees and property taxes paid by July 1 according to the Clark County Assessor's office and the State Department of Motor Vehicles.

Registration fees of \$5 are good until December, 1965. Property taxes vary according to district. Those paying the tax at the county court house in Las Vegas are advised to bring along prior registration or bills of sale.

"Periodic unannounced checks will be made on Nevada lakes for valid registrations and required safety equipment. Those in violation will receive tickets," said motorboat supervisor Herbert Tasker of the DMV.
