

JEFFERSON PLAYGROUND

OPEN WEEKDAYS, 9 to 5

Jefferson Center Summer Playground will be open every weekday from 9 a.m. until 5 p.m. We have a variety of games and puzzles; field trips and movies are scheduled for your enjoyment. We have equipment for softball and volleyball leagues.

Awards will be given to those children making the most progress in their age group in our Physical Fitness Program. Folk dance and modern dance is in full swing on Thursday from 1:00 until 3:00.

Instruction in several different arts and

crafts will be offered to children as well as adults on Tuesday and Thursday morning from 9 until 10:30.

We would like all children and interested adults to take part in these programs. Remember to "Play More In '64" at your playground. The Jefferson Center Staff welcomes everyone.
