

JAYCEE COUNTY FAIR FEATURES BABY CONTEST

A "Baby of the Year Contest" again will be a major feature of the annual County Fair sponsored by the Las Vegas Junior Chamber of Commerce at the Convention Center, Sept. 22-27.

Two hundred children between the ages of six months and three years will be photographed free by Scott's Photo Studio, 1312 East Charleston Blvd. The pictures will be exhibited at the County Fair, where the general public will vote for their favorites.

Savings bonds with a maturity value of \$150 will be awarded to the three top vote-getters by the Las Vegas Review-Journal. The "Baby of the Year" will receive a \$75 bond, with a \$50 bond going to the runnerup and a \$25 bond to the third-place finisher. Scott's Photo Studio also will award a free 16-by-20 inch oil portrait to the winner. Many of the photos will be published in the Review-Journal.

There is no charge or obligation to entrants according to fair officials. Merely phone Scott's Photo Studio and arrange for an appointment. First come, first served.
