

CANADIAN RIGHTS DEMONSTRATION-- Marchers in Toronto carry signs reading "Canada Needs Racial Equality, Too!" during recent parade commemorating freeing of slaves in British Empire in 1834. Rabbi Abraham Feinberg, guest speaker at coinciding memorial service for Canadian Negroes who died for empire in War of 1812 with United States, said race conflicts that plague world would end when people become "color blind."

A sizeable segment of the Las Vegas business community has been agitating to bring the Clay-Liston rematch here despite understandable objections from the state athletic commission. If the WBA withdraws its own disapproval of the return bout at the national convention in Norfolk, Va., next week, it is quite likely that the Nevada commission will reexamine its position. Chairman Art Lurie and executive secretary Jim Deskin, the latter a vice president of the WBA, are both going to Norfolk.

We still think Clay's home town of Louisville has the best chance to get the fight, although Bob Evans, chairman of the Kentucky commission and highly placed in the WBA hierarchy, has been supporting the WBA position up to now. Evans also may change his mind after next week's convention.

Getting back to the Daniels-Jones thing, from where we sat in front of the TV set we would have to go along with Berl's 6-4 vote in favor of Jones. But we also must admit that Doug looked pretty sad in spots and had no one but himself to blame for blowing the duke.

Dr. Martin Luther King Jr., said that Hosea Williams and other field representatives of the Southern Christian Leadership Conference were planning intensive campaigns in the First Congressional District around Savannah.

"I think everybody's pretty upset about Goldwater," Young declared.

OTHER ORGANIZED EFFORTS to get Negroes to the polls are under way or scheduled in Columbus, Albany and Augusta.

Polls and less scientific measurements of opinion such as the assessments of political leaders and observers, street-corner conversations and bumper stickers indicate considerable white enthusiasm for the Goldwater candidacy.

But even though the Democratic campaign has not begun, it has already become apparent that Republicans face formidable handicaps. Besides tradition and the Negro vote, they will be bucking the opposition of Gov. Carl Sanders and other Democratic leaders.

"Last time, it was 2 to 1," observed George D. Stewart, state secretary of the Democratic party. "We're going to take it this time by about 3 to 1."
