

# NO PHONY PROMISES!

**AN INDEPENDENT VOTE FOR YOU**

BERT LEAVITT stands up to be counted on the important issues while his opponent, Darwin Lamb, hides behind the scenes refusing to discuss his role in Vegasland or the fact his brother is the Sheriff. If Darwin is elected, he will vote on his brother's budget and will vote on gambling and liquor licenses with his brother. What kind of fair employment practice does Darwin's brother use as Sheriff? BERT LEAVITT promises to support every man's right for employment.
