

### National Honor Society Inducts Musician Wright

TONY WRIGHT was inducted into the National Senior Honor Society at the recent annual Induction Dinner at the El Cortez Hotel. The society is composed of high school students who attained a minimum 3.5 or B-plus average in their previous year.

Tony is president of the Las Vegas High School Wildcat Band and director of the Pep Band that plays at pep assemblies and basketball games.

Also attending the dinner was Douglas Carroll, a hold-over member from last year. Doug is president of the LVHS Latin Club and a Student Senator.

Congratulations to Tony and Doug.

RELATED ELKS—Everyone seemed to be having great time when this photo was snapped at recent Elks convention here. From left: Fred Bates, Betsy Keaton, Pacific States Exalted Ruler Sammy Warren, Dottie West, Eddie Franklin, Eddy Kim, Albert Browning, Louise Roberts and Jim Roberts.

### TEEN DANCE OVER BIG

WESTSIDE RECREATION directors Joe Haynes and Shirley McDaniel and their assistants have extended a vote of thanks to local teenagers for their "100 per cent response" in contributing four boxes of food for needy families in conjunction with the annual Thanksgiving dance at Jefferson Center. Items donated included a 5 lb. ham, canned meats, vegetables, fruits, milk and sugar plus cash.

Special thanks also went to J. J. Johnson and his Fabulous Gems, who furnished two and a half hours of free music, and security officers Nathan Scott and Ben Fleming, who served without pay for the evening.
