Food Fair Offers Many Valuable Prizes

FOOD FAIR markets are giving away thousands of valuable prizes to their customers in Nevada and California this month as a feature of a gigantic Anniversary Sale celebration.

Registration for weekly and monthly drawings can be made at any Food Fair market, including the Golden West Shopping Center on Owens Ave. just west of 'H' St., without purchase or obligation of any kind.

"In addition to weekly giveaways and a Grand Prize drawing at the conclusion of Food Fair's big Anniversary Sale event, there will be plenty of free samples, food demonstrations and fun for the kiddies throughout March," according to Arthur S. Rosenberg, president of the California-Nevada division of the national market chain.

"Many famous TV, screen and recording stars, plus outstanding sports personalities, will make personal appearances at Food Fair markets during this celebration," Mr. Rosenberg said. "All these festivities are in addition to extra special bargain prices on many products being offered in March."

Lucky entrants in the various drawings may win such choice items as these--Rambler Ambassador Convertible car, Thomas organ, diamond-studded gold Angelus watch, O'Keefe & Merritt gas range, RCA color TV, Niagara Leisure Lounge, Huffy Ranchero Mower, Nelco zig-zag sewing machine, Brother portable typewriter, Huffy 5 speed Racer bike, Sunbeam household appliances, Roddy Fishing Kit, Yogi Chaise lounge, Presto hair dryer, My-Maid dishwasher, Char-Lighter, and many more valuable products--plus hundreds and hundreds of baskets filled with groceries!

From a modest beginning in one small store in the east in 1920, Food Fair has grown into the nation's fifth largest food chain, operating over 500 supermarkets coast-to-coast and employing 30,000 men and women to serve the public.

Mr. Rosenberg stated that Food Fair's basic philosophy is to provide products and services of the highest quality at the lowest possible price. He added, "We are a service
