U.S. SAVINGS BONDS**

Makes an ideal gift for graduations, birthdays, communions, bar mitzvahs or any occasion when you want to be especially nice to someone. **\$18.75** including yourself. Sells for

This one is tailor-made for the investment of bonuses, tax refund, and other windfalls. At maturity it grows into a tidy \$200 nest egg, yet **\$150.00** it costs you only

Lots of businesses buy these as a good safe investment for company surplus funds. Also ideal for widows who suddenly find themselves with a large insurance check. Each **\$750.00**

Actually there are 7 denominations, but all U.S. Savings Bonds have these things in common:

They're one of the most widely held investments in the world—owned by tens of millions of American families. They're replaceable in case of loss. They return \$4 at maturity for every \$3. They're cashable at any time. They help make your individual future, as well as your country's future, secure. Buy the ones that fit your budget—at your bank, or through the Payroll Savings Plan where you work.
