

WHO'S WHO and doing what

By EDDYE K. KIM

IT'S YOUR LIBRARY--USE IT! . . .

Everybody can use a little "smartenin' up." That's why we think all you good people should stop in at YOUR Community Library in Operation Independence headquarters, 1165 Balzar St., this weekend and help the staff celebrate the conclusion of National Library Week. You're almost certain to find something among all those fine books on Negro history, biography, modern math and good fiction that will interest you and bring you back.

Special movies will be shown tomorrow, Saturday and Sunday evenings (April 30, May 1-2) from 7 to 10 p.m. On Saturday afternoon, a "Poster Parade" will be on display starting at 1 p.m. Prizes will be awarded to the creators of the best posters, with a pair of excellent Western boots (just the thing for Hell-dorado) going to the grand winner. And on Sunday afternoon, refreshments will be served from 1 to 3 p.m. as you browse around.

Don't pass up this chance to become acquainted with one of our better community projects. You'll be agreeably surprised with what they're doing up there in Vegas Heights under the capable supervision of Lubertha Johnson and Bob Adair.

TEACHER OF THE WEEK . . .

Reading, 'riting and 'rithmetic used to be taught "to the tune of a hickory stick," especially when we young'uns of an earlier generation (there we go giving our age away again!) got out of line in class. But all that's gone now, especially for kids who find it difficult to adapt themselves to the normal pace of modern pedagogy (that's a two-bit word for teaching), which is only as it should be, we suppose.

All of which brings us to our Teacher of the Week, Aquilla Smith Guy, who has a special way with these "exceptional children" at Helen J. Stewart School, where she instructs the fifth and sixth grades.

Mrs. Guy is well qualified for this type of work, having spent three years of her ten-year tenure with the Cook County, Ill., (Chicago) schools in Special Education. Before that she was an American Red Cross junior director both in this country and Japan.

The daughter of Mr. and Mrs. Parnell B. Smith, Mrs. Guy attended elementary and secondary schools in Florida and Georgia before enrolling in Atlanta's Spelman and Clark colleges. She received her A.B. degree from the latter school and then earned a B.S. degree (double) in elementary education methods at Fayetteville (N.C.) State Teachers College. Graduate work followed at Chicago Teachers College, DePaul University (Chicago) and Northwestern University (Evanston, Ill.). Her sorority is Delta Sigma Theta and she has been active in the Council for Exceptional Children, the NAACP, the League of Women Voters and the Chicago chapter of Links, Inc., not to overlook membership on the Governor's Committee for Women's Affairs.

Since coming to Las Vegas last year with her attorney husband, Addeliar D. Guy (who

A SALUTE TO THE SECRETARIES

ARKANSAS TRAVELERS--Graduates of Arkansas A. M. & N. College who eventually found their way to Las Vegas recently held their first annual "Easter Parade" at Ruben's Supper Club. became a member of the Clark County D.A.'s staff), Mrs. Guy has been instrumental in organizing a younger girls group at Doolittle Center. That came naturally, because her own three youngsters, Pamela, Michael and Addeliar Jr., are all members of Jack and Jill of America. When she isn't busy with her other activities, Mrs. Guy occasionally finds time to indulge herself in her hobbies of sewing, reading and swimming.

Incidentally, Mrs. Guy should feel right at home in the Space Age. Her given name apparently is a derivative of Aquila (one "i"), which means eagle in Latin and is the name of a northern constellation containing the bright star Altair!

SPEAKING OF BRIDES . . .

Well, that's what we're going to do, and local realtor Bob Bailey is right in the middle of our little discussion. First off, we have finally caught up with our notes on the wedding of Bob's pretty and popular secretary, the former Melissa Ann Grimes, who became the bride of James Brennan here not too long ago. Melissa wore a beautiful champagne brocade with beige accessories for the ceremony and was attended by lovely Claudine Lawson. Ronald Hemphill

was the groom's best man. . . And now we learn that Bob's sister, Francine Byrd Bailey, will soon become the bride of Roosevelt McClendon of Cleveland. Francine is the charmer who greets you at Sugar Hill. She will be given in marriage by her dad, John Bailey, who recently moved here from Cleveland to be with his children.
