**YOUNG TIMERS PARADE NOW BEING ORGANIZED**

YOUTH GROUPS and individuals wishing to enter the Young Timers Parade, which will be the first parade of the 1965 Helldorado activities, may do so by picking up an application blank at 2832 East Flamingo or by calling 736-5302.

The Young Timers Parade will be held at 4 p.m. on Thursday, May 13, and replaces the Children's Parade of past years. The theme of the Young Timers Parade is "The Golden West."

The parade will assemble at Bonanza Road and Las Vegas Boulevard North, proceed to Fremont Avenue, and turn west on Fremont to First Street. It will be made up of floats, bands or other musical groups, drill teams, bicycle riders, single horseback riders or mounted pairs and groups, and specialty numbers. Trophies will be awarded the best entry in each classification.

**4-H Club Sponsors Leadership Course**

WANT TO BE A LEADER? Most people say, "Oh no, I wouldn't know what to do!" That problem is now being solved for more than a dozen residents of the Kit Carson School area.

Mrs. Carlene Perkins and H. P. Fitzgerald, PTA president and school principal respectively, and Eloise Winn, 4-H Advisory Council member, have organized a leadership training course in cooperation with the Clark County Cooperative Extension Service 4-H Clubs.

Classes are conducted once a week. Each class is two hours and includes an educational film, a lecture and a discussion on the topics chosen by the class members. Classes are conducted from 7 to 9 p.m. in the Kit Carson music room, with the day of the week announced well in advance.

There is no charge for the class and participation is open to any adult interested in developing leadership skills.

Since more than 200 children are looking for 4-H leaders it is hoped that some members of the class will volunteer. There is no obligation, however, to become a 4-H leader.

Last week's class was held on Friday night, April 30, when "Human Relations" was the topic of discussion. Dr. Robert Kittredge, Head Counselor, Nevada Southern University, was the speaker.

Those interested are urged to telephone Mrs. Winn, 642-7112, or the 4-H Club office, 382-0259, for further information.

Projects for 4-H members include cooking, sewing, gardening, recreation, electricity, home furnishings, child care, photography and dog training. More than 30 project areas are offered.
