NEW SORORITY COMES TO TOWN...

Salutations to the newly organized Theta Theta Omega Chapter of Alpha Kappa Alpha Sorority!

Enthusiasm was the keynote as twelve local gals were installed as charter members of the Las Vegas chapter of this national Greek-letter society, which was founded on the campus of Howard University in Washington, D. C., during the 1907-08 school year. The beautiful home of Soror Lorraine Hall was the site of the chartering services, conducted by Dr. Leadie Clark, Far Western Regional Director of Alpha Kappa Alpha.

Immediately after the impressive ceremony, the following sorors were inducted as officers of the new chapter: Florence White, Basileus; Lorraine Hall, Aniti Basileus; Margaret Crawford, Grammateus; Barbara Kirkland, Tamiouchos; Betty Foshee, Historian; Jeanne Penn, Parliamentarian, and Lois Bolden, IVY LEAF Reporter. Other members are Marilyn Brooks, Annie B. Carter, Jacqueline Hoggard, Harriet Robinson and Dottie von Phul.

The group wound up a memorable day for all concerned with a tasty dinner at the Alpine Village.

TEACHER of the WEEK...

"Local Boy Makes Good--at Home!"

That would describe Isaac White Jr., our Teacher of the Week, a graduate of Rancho High School who now teaches mathematics at K. O. Knudson Junior High here.

Isaac lettered in football and basketball at Rancho and was drum major of the school band. Following his graduation in 1957, he served in the U. S. Army for two years before entering Langston University in Oklahoma, where he received his B.S. degree as a pre-medical student in 1963.

While at Langston, he was vice president of the campus YMCA and the Science and Math Club and became a member of Alpha Phi Alpha Fraternity. He has also studied at Nevada Southern and through the extension course of the University of Arizona. This summer he will attend the Institute in Mathematics of the University of Idaho at Moscow.

Isaac has retained an active interest in sports and received a citation for coaching two basketball teams in the City Recreation League last winter. He is president of the Theta Pi Lambda Chapter of Alpha Phi Alpha and a mem-
