WASHINGTON--Nevada Senator Howard W. Cannon has announced that the annual competition for entrance to the U.S. Coast Guard Academy will commence on Dec. 4, 1965, with the College Entrance Examination Board Tests.

"Appointments are made on a competitive basis. There are no separate quotas for states or districts and no specific categories," he said. "I urge all high school graduates of good reputation who are interested in this worthwhile profession to write for details and an application form as soon as possible to the Director of Admissions, U.S. Coast Guard Academy, New London, Conn. 06320."
