

# We've Been ★★★ WONDERING...

WHY Ray ("Have Gun, Won't Travel) Johnson of the Arcadia Newstand is his own best customer on his pin-ball machines and walks around with a paper cup in his hand most of the day?

WHY Dorothy F. insists that "romance" without "finance" is a "nu'sance"?

WHY that sweet, young thing with a name similar to one of filmdom's most glamorous "silent era" stars runs around town with a balding, near-sighted old coot who peddles advertising and real estate?

WHY Dan (7-11) Smith reminds us of a reindeer named Rudolph? (Now don't get us wrong, Danny boy. Maybe, like Rudolph, "you'll go down in history!")

\*\*\*

WHY the sequences of 49-59-61-62-65-69-79-80 and 8-18-21-25-28-31-32-38 are supposed to be lucky for people born in August (also January, February and November)?

WHY a nice guy like Joe Hudson, who has done so much for our local kids (like passing out dozens of circus tickets to small fry), had to be the victim of a bum rap because he was unlucky enough to be in the wrong place, at the right time when a wrong situation developed? (Betcha even "Ben Franklin" would have been baffled for an answer to that one.)

\*\*\*

WHY the inimitable 'Zip-Zap' has been Flip-Flapping up and down the "Strip" like a play-boy with nothing to do and all the time in the world to do it? (Could that attractive "chauffeur" who has been driving his gas buggy have anything to do with this?)

WHY super real estate saleslady Marjorie Elliott has turned down several better-than-good offers from tract developers?

WHY that prominent West Las Vegas medico and avid disciple of Izaak Walton doesn't want

help their children achieve scholastic proficiency.

Each class was restricted to 15 pupils and staffed by a teacher, a teacher aide, a Neighborhood Youth Corps worker and a neighborhood volunteer. The following table shows how the local classes were staffed:

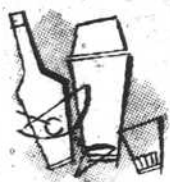

| (A)            | (B) | (C) | (D) | (E) | (F) |
|----------------|-----|-----|-----|-----|-----|
| Highland       | 7   | 7   | 7   | 4   | 9   |
| Matt Kelly*    | 3   | 3   | 3   | 2   | 4   |
| Kit Carson     | 5   | 5   | 5   | 8   | 7   |
| Madison        | 2   | 2   | 2   | 4   | 4   |
| Westside*      | 1   | 1   | 1   | 0   | 2   |
| Quannah McCall | 1   | 1   | 1   | 1   | 2   |
| Overton        | 1   | 1   | 1   | 7   | 2   |
| Henderson      | 2   | 2   | 2   | 2   | 3   |
|                | 22  | 22  | 22  | 28  | 33  |

- (A) Location of center.
- (B) Number of classes.
- (C) Paid professional personnel.
- (D) Paid neighborhood residents.
- (E) Volunteer neighborhood residents.
- (F) Neighborhood Youth Corps personnel.

This class-load and staffing arrangement allowed the professional teacher considerable latitude. More intimate techniques could be employed, rather than formal, abstract teaching approaches.

Some questions of major consequence that must be considered in setting up future pre-school programs include: What type of curriculum is best suited to such programs? Are major changes necessary in kindergarten and first grade programs? Which children derive the most benefit from pre-school programs? Is special training necessary or desirable for pre-school teachers?

any publicity about his fabulous catches on Lake Mead? (Whatsamatter, Doc? Afraid you'll give away the locations of your favorite fishin' holes?)

WHY Gene Lewis seems to change appearance when he gets away from his Texas Bar-B-Q Pit?

\*\*\*

WHY some otherwise OK night-spot combos make such a gosh-awful racket that customers sitting side-by-side can't understand each other unless they carry on a conversation with megaphones or use sign language?

WHY other groups with real musical talent find it necessary to use corny (or downright smutty) material in so-called "comedy routines" that is amusing to only morons (or degenerates)?

\*\*\*

WHY Ed Lehman has worn a smug grin ever since those "Tigers" arrived on the big lot he oversees for Pat Clark Pontiac?

WHY Joe (Charley Horse) Higgins goes through such an awe-inspiring ritual every time he finishes a particularly enjoyable repast?

WHY some adults with muddled mentalities and some adolescents who may never live to become adults seem to think the parking lot of the Golden West Shopping Center is a drag strip? (As much as we detest "slow-down bumps," it may be advisable for the shopping center management to run a couple of these impediments across the lot before someone gets mangled--or worse.)
