

(WHO'S, from page 6)

Cook County in the Illinois House, Mr. Smith, a cousin to Mrs. Johnson, serves as a deputy coroner in the Windy City. He is a graduate of the University of Illinois and practiced pharmacy prior to his successful entry into the political arena. . . America's famed Ambassador of Swing, LOUIS (POPS) ARMSTRONG, and MRS. ARMSTRONG, were special guests at a late supper hosted by MISS MARJORIE ELLIOTT and her charming mater, MRS. ODESSA BOWMAN, at their home. Among those on hand to congratulate the 65-years-young Satchmo on his triumphant appearance at the Riviera Hotel were MRS. GLENDA MASON, MRS. JAMES ANDERSON, MR. and MRS. ROBERT L. REID, MR. and MRS. CHARLES KELLAR, DR. and MRS. CHARLES I. WEST and the MESSERS JOHN and ROCCI WEST. The Reids, incidentally,

have been entertaining Sondra's mother, MRS. JOHN SHEPHARD, and aunt, MRS. VAL SHEPHARD, both of Atlanta, Ga., and Bob's foster sister, MRS. JOHN LOVELESS, of East St. Louis, Ill. It was the first visit here for Sondra's mama and she marvelled at our bright lights, but getting together with her grandchildren, Johnny and Robert, Jr., was "my most enjoyable experience" she confided. . . Another recent "family reunion" saw MR. and MRS. RUFUS GATLIN and their two children in from New Orleans for a visit with MR. and MRS. L. J. GATLIN. (Rufus and L.J. are brothers.) Both couples were entertained by MR. and MRS. WILLIE GATLIN (he's L.J.'s son) at a dinner party marking the younger Mr. Gatlin's birthday. . . Planing down to Los Angeles to become charter members of The Performers, a newly organized club for present and former show people, were the MMES. EUGENE (AVANELLE)

LEWIS and CHARLES (DOTTIE) WEST. . . CAPT. and MRS. WILLIAM SMITH JR. celebrated the Nellis airman's recent promotion from lieutenant by taking their son, WILLIAM III, to Disneyland. . . In closing, we'd like you to know that MR. HENRY MILLER, the swinging bachelor who heads the sales staff for those "Tigerish" Valley View Estates homes, is a real "tiger" himself when it comes to repairing treasured heirlooms such as ancient lamps, etc., and we thank you kindly, Hank. . . That's all for now; but remember, if you have an item suitable for the column, give us a buzz at 642-6333.
