

We've Been WONDERING

- WHY the Messers Roberts, Jones, Garland and Williams don't start a "liars club" or something and award prizes for the best "tall story" of the month? (Anyway, they all agree that many a late model I.D. card is purchased with a little "fruit" in lieu of hard cash.)
? ? ? ? ?
- WHY Beulah is in such a stew-lah that shouldn't happen to a foo-lah over a lu-lah who has her talking to herself and on the verge of cutting out paper dolls? (Steady, girl!)
? ? ? ? ?
- WHY that pretty divorcee REALLY returned to Smogsville after spending only a few days here of an intended extended vacation? (Her claim that the reason she was leaving so suddenly was because she just didn't dig the local gentry sounded sort of lame.)
? ? ? ? ?
- WHY six-foot-four Knight Nelson, who celebrates his 24th birthday today, answers to the nick-name of "Little Man"? (Wow!)
? ? ? ? ?
- WHY one of our good fraternal brothers has permitted the "oil of ignorance" to get such a hold on him? He should know that John Barleycorn and proficient professional practice don't mix.
? ? ? ? ?
- WHY some of our bistro operators don't invoke the anti-loitering law to protect themselves against troublesome punks who block the entrances to their establishments? This annoying situation should be corrected pronto. Prospective could do without this action--especially when they are escorting lady friends.
? ? ? ? ?
- WHY the sequences of 13-15-16-17-18-31-32-33 and 29-30-59-70-72-73-77-78 are supposed to be lucky for persons born in April, June and December?

Widows Can Collect Security Pay at 60

BENEFITS FOR WIDOWS of men who worked under Social Security may begin at age 60, according to Edgar H. Cocks, district manager of the Las Vegas Social Security Office. Payments to a widow under this provision of the law can first be made for the month of September, 1965.

If you choose to receive benefits before age 62, the amount of your monthly payment will be reduced by five-ninths of one percent for each month that you are under 62 when you start receiving benefits. If you decide to get benefits in a reduced amount before you are 62, your benefit will continue in the same amount even after age 62, Cocks stated.

On the average, a widow who accepts bene-

tion department places so much importance on his own job when he seems to place so little importance on the jobs of his underlings?

WHY a certain self-styled "Mr. Big" has been so conspicuous by his absence from our community activities?
? ? ? ? ?

WHY some of the larger business houses around town, which have taken thousands of dollars out of the Westside for many years, haven't seen fit to advertise in YOUR community newspaper, the Las Vegas VOICE? (We'd appreciate it if YOU would ask them how come.)

fits before age 62 will collect about the same value in total benefits over the years, but in smaller installments to take account of the longer period during which she will be paid.
