

We've Been WONDERING

WHY more Westside males with no special skills or training don't follow the example of our smarter femmes and take advantage of those free MDTA courses--with pay, yet? (Details are available at the Clark County Adult and Vocational Education office, 401 S. 9th St., 384-7816.)
? ? ? ? ?

WHY those darling, baby gals named Hattie, Delores, Mary and Lucille and their boss lady Alloah don't form an act and invade show biz? ('Tis said they give the boys a fever just being themselves!)
? ? ? ? ?

WHY that not-so-young "limp-wrist" with grandiose ideas about his own importance and those supercilious airs insists on making a spectacle of himself by swishing through crowded shopping centers?(Shopping for trouble, maybe?)
? ? ? ? ?

WHY some blockheads stop their cars in the middle of the block and tie up traffic, then wax indignant when they get the horn?
? ? ? ? ?

WHY that normally charming female politico friend of ours bristles when addressed as "Missus" and lets you know right quick that it's "Miss"? (Well, all right, Floradora!)
? ? ? ? ?

WHY Queen Cottrell found it so difficult to explain to her four-year-old why she called her daddy "daddy," just like young Craig refers to his daddy? Was it because the youngster pointed out that if father Frank was his mommy's "daddy," she must be her own son's sister? (Say, how smart are these kids getting, anyhow?)
? ? ? ? ?

WHY some of the innocent victims of his venom don't "ground" that vicious, free-loading stool-buzzard who knows nothing, tells all and is immune to insults and snubs?
? ? ? ? ?

WHY the sequences of 1-5-14-18-20-38-39 and 43-44-49-55-59-66-69-79- are supposed to be lucky for persons born in March, July and September?
? ? ? ? ?

WHY so many of the old settlers seem to resent more progressive-minded newcomers and try to assert their "leadership" in the community by knocking any idea that didn't originate in their own unimaginative mentalities?
? ? ? ? ?

WHY that "servant of the people" who owes his position at the public trough to misplaced friendship and political expediency was so inexpedient as to do nothing while his spouse was busy campaigning for the opponents of his benefactors?
? ? ? ? ?

WHY Doris pretends she doesn't like the guy when she fumbles with the cash register keys every time he appears in her vicinity and sneaks covetous glances in his direction when his back is turned?
? ? ? ? ?

WHY that jazzy-snazzy Strip porter who sports those pretty, red patent-leather shoes, a red belt, red-striped shirt and even has his pleasure buggy upholstered (you guessed it!) in red, had his pickup truck painted GREEN?!? (Maybe the guy is really color-blind, huh?)
? ? ? ? ?

WHY that puerile publican over on The Avenue has the guts to accept a colored man's cash for "take-it-with-you" merchandise when he feels the same customer isn't good enough to quaff a dish of suds on his premises? (Okay, we'll save you the trouble of looking it up. A "puerile publican" is a childishly simple or irrational bar owner.)
