

We've Been WONDERING

WHY so many of our new home owners are lax about keeping their lawns in good shape? (They could take a cue from community-minded folks like the Willie Clarks, Hamilton Jacksons and William L. Smiths.)
? ? ? ? ?

WHY that playboy businessman refused to pose for any pictures until those two darling chicks showed up in the wee hours of the morn?
? ? ? ? ?

WHY "Mr. Biggly" persists in airing his troubles at great length to anyone he can corner? (Rather boring after a bit, don'tcha know.)
? ? ? ? ?

WHY that handsome barrister just waves the vermouth bottle over the gin and then winks at the chilled martini glass as though it was a thing of beauty and a joy forever?
? ? ? ? ?

WHY Claude (Shopping Bag) Robbie was so reluctant to oblige that sweet, young thing when she wanted to know what "mountain oysters" were?
? ? ? ? ?

WHY someone doesn't "hip" those few arrogant sales clerks and straw bosses who give their co-workers a bad name? (It's nice to be important but more important to be nice!)
? ? ? ? ?

WHY the sequences of 3-13-23-27-32-34-43-50 and 4-26-39-40-50-65-69-80 are supposed to be lucky for persons born in May and October?
? ? ? ? ?

WHY the Negro waiter and bartender seeking employment in TBCOTA are dealt a snow job everywhere he goes? (Such as "Stick around, we may be able to help you," or "Be patient, things are about to break." Worse yet, to be sent out on a job only to be ever so politely turned down.)
? ? ? ? ?

WHY that old goat in the gray tux and brocaded shirt, yet, kept running around at that party making like the maitre d'? (Playing "catch," maybe?)
? ? ? ? ?

WHY more married couples aren't like that 31-year-old dealin'-wheelin' man Andrew Jackson and his pretty Corine, who are still "sweet-hearting" 14 years and nine little ones later?
? ? ? ? ?

WHY no one hasn't presented a medal to that big wheel from the Site who suddenly got religion and sat through Sunday school and the entire church service last weekend?
? ? ? ? ?
