

Cancer Group Offers Unique Xmas Cards

AN ORIGINAL PAINTING by Ted DeGrazia entitled "Navajo Madonna" is featured on Christmas cards now being sold by the Clark County unit of the American Cancer Society.

The Madonna is depicted in a long white skirt and shawl of muted shades of red. The Child is clothed in dark purple swaddling. Soft shades of blue, studded with white stars, provide a striking background for the card, which measures 4-1/2 by 7 inches when folded. The inside greeting reads, "Best Wishes for a Happy Holiday Season." A notation on the back of the card in small letters reveals that it represents a contribution toward the fight against Cancer.

Mail orders for 10 cards with envelopes at a suggested donation of \$2 are being received at the local office of the ACS, Room 312, 401 S. Third St., Las Vegas, phone 382-1737.
