

We've Been WONDERING

WHY don't the powers that be get the real message? The truly great business executives prove their greatness by not being grand.
? ? ? ? ?

WHY those couples splitting the turbulent sea of matching don't realize that the same tenderness that made the sea so calm when they set sail upon it could also quiet the troubled waters today?
? ? ? ? ?

WHY so many of our Tavern operators forget all about customer comfort in those overflow rooms? I could be crazy, but I sure ain't stupid. If I wanted to hold the overflow customers until they could be seated where the action is, I surely would cater more to them than to the ones already digging the show.
? ? ? ? ?

WHY our local Einstein brought his chess set to a certain Yuletide party? It would have been an exciting affair to sit quietly around a table watching a couple of squares engaging in a red-hot chess game. The cat even had the nerve to cruise a groom of only a couple of days away from his anxious bride.
? ? ? ? ?

WHY that doll with the passionate pink hair who operates a dry cleaning 'n launderin' joint eats so much and then brags that she ain't never had 'gas'? She sure sounds windy to Poor Henry.
? ? ? ? ?

WHY that not-so-shrewd dude gave his slick chick a mink-covered can opener for Christmas? A fool could have told him that he would have to use it to pry his big mouth open when the broad, looking for a mink stole, clobbered him smack dab in the chops.
? ? ? ? ?

WHY that fly-boy captain from that foreign country of Mississippi (the Captain is stationed at Nellis) thought he could spice up a New Year's Eve party by reading the gossip that ole 'P' for Poor digs up.
? ? ? ? ?

WHY the sequences of 8-9-10-11-12-20-29-38 and 42-43-46-51-53-67-68-72 are supposed to be lucky for persons born in January, February and March.
? ? ? ? ?

WHY that autobody re-shaper don't shape-up some of those corny jokes he tells.
? ? ? ? ?

WHY that go-go'er with her "you give me fever" act breaks out in a sweat and fever both when that bearded cat puts down his "I dig you Miss Fine" stare? (You know the kind of eye-ballin' a cat uses that "undresses" a broad.
? ? ? ? ?

WHY all the "don't-know-from-nothin'" public servants don't pick up on Ruben, R. D. Fuller or Lela Mae, so they could learn what the real pros put down.
? ? ? ? ?

WHY Linda Ward's continuous chatter not only disturbs, but also perturbs.
? ? ? ? ?
