

# WHO'S WHO and doing what

By EDDYE K. KIM

(The Editor wishes to express sincerest appreciation to Dorothy Johnson for pinch-hitting for ailing Eddy Kim--It wasn't meant to sound so cold, Dottie, when our retort to your cry of "What at deadline" was "Somebody would think you'd been asked to come up to bat in the 9th inning with Koufax pitching").

## ABOUT TOWN . . .

Pretty Ah's and Ooh's from little Mary Ann Mabry over her birthday gifts--Mary Ann is Doris Mabry's youngest. . . Visiting Roderick and Barbara McSwain at the Gilday Manse--Eva Paulin from down Arizona way, and Norma McGee and Liz De Bose, Barbara's sisters from the Smog City--Liz, a professional singer, is making quite a name for herself in the Hollywood night club circuit.

Mr. and Mrs. Bill Quarterman hosting Bill's long-time friend, Harry Carey in from Los Angeles to catch the fabulous Sinatra-Basie show (and that's not easy to catch). . . Also, was told that Harry was spotted at the Thunderbird Oyster Bar in deep conversation with Bob Bailey and VOICE editor, Alice Key over a tableful of Sea Food goodies, Tuesday--Press Day? What's going on around here!

From the Angel City, Louise Nichols with her club group, the Fun Femmes living up to their name, having fun galore at Ann and Bob Bailey's Sugar Hill after taking in the many shows on the Strip and Casino Row--the vivacious group left town raving about the hospitality shown them while in the Best City of Them All. . . William Mays from Tulsa, Oklahoma here to make his home with his mother, Mrs. Clara Watts, on McGuire Dr.--William has entered Western High to finish his senior year, and hoping to enter Nevada University in the fall as a Pre-Med student. . . Dorothy and Ray Johnson were giving out with those large smiles last week because Dorothy's son-in-law, Henry Nelson with buddy Sledge Warner dropped in from L.A. for a couple of days visit--Yes, Yes, Mother in law and son-in-law are great friends.

The true gift must have something of the giver, and the perfect gift is one that fits the person receiving it. One of the most thoughtful gifts we've heard of and one that warms the cockles of the heart is the gesture of our local beauticians who are pitching in and giving Sophronia Whittaker what help they can to carry the work load at Hall's Beauty Shoppe while owner-beautician Lola Hall is recuperating from recent surgery. . . Lola is one of best-liked and skillful beauticians in town, and all of us are wishing for a most speedy recovery for her. . . A card? Oh, Yes, the Las Vegas Hospital. . . In the meanwhile, our hats are off to those caring ladies working so hard to satisfy the beauty needs of Lola's many customers during her illness--And a doffing of a sombrero to Sophronia. This is truly the perfect--Something Special for a Special Person.

Catherine Basie and Evelyn Royal in town with their husbands, Count and Marshall--Catherine entertaining friends (including Dr. West and spouse, Dottie) at Sunday night's show at the Sands. . . A rather heavy week-end for the Wests--they only returned home Saturday from a quick flight to Carson City where they were guests of the Governor's at that "informal dinner for a few friends" Friday night--AND THEN, The "Grand" and his wife arrived in town Monday for a week's stay. "The Grand", of course, is His Nibs Hobson Reynolds, Exalted Ruler of the Elks, great friend of Dr. West--Let's hope the social and civic responsibilities and delights won't have us calling a doctor for the Doctor.

To the pessimist, some people are born lucky --to the optimist, everyone is lucky to be born. I guess I'm in the pessimist class for I must have been born lucky to be asked to fill Eddy Kim's shoes this week.
