

We've Been WONDERING

WHY or what is the solution for the many that never escape from the confinement of their own prejudices.

WHY the shoemakers don't make ladies shoes big on the inside and little on the outside.

WHY there isn't a dictionary that describes the different type UNCLE TOMS with special emphasis on the the "tan" politically-ambitious.

WHY with all the wonderful improvements in our country there are those who refuse to recognize our role in this vast society. Perhaps our political, social and economic progress has too wide a scope for the stereotyped thinking mind.

WHY the good guys club hasn't tapped Ben and Kelly for membership. (Attention Frank)

WHY that same old bunch of plodders and un-professional knockers after running out of things to talk about came up with this one. "De ones dat jus' got heah gets de bes' breaks, de bes' jobs and us's dat done been heah dis long time can't even get on de welfare."

WHY the sequences of 8-14-27-39-40-60-62-69 and 25-19-26-31-38-47-52-71 are supposed to be lucky for persons born in February, March and April.

WHY that certain lid-flipper who makes the same mistakes over and over again, doesn't stop and reason with himself. Saying he is sorry does little to blot the damage done.

WHY or what kind of hold Mr. Loud-Mouth and Uncouth has on his employers. How they tolerate his mis-handling of the cash customers really has poor ole Henry P. puzzled.

WHY that confirmed bachelor who has stated on many occasions that he wouldn't ever get hitched again was seen putting a big cash deposit on a ladies diamond ring.

WHY or what kind of bag our partner is in these days. When he is at work (so we've been told) he claims to be the greatest Mack Man that ever whispered a sweet nothing to a frail, and when he's imbibing, he is the greatest waiter in the world.

WHY that certain self-styled, self-appointed leader doesn't check the facts before he sticks his big (un-asked for) nose into the affairs of his peers.

WHY or where that tooth dentist is located that the gentleman from (to let him tell it) "up north" is going to have his toothies fixed.

WHY the persons that have been, and still are, doing good things for the community seldom, if ever, talk about their deeds.

HENRY 'P.' (for 'Puzzled')

Z. Louie Wants Club Back

CARSON CITY (Special to the VOICE)--The former owner of the Louisiana Club in West Las Vegas applied to the Nevada Gaming Commission Wednesday for a license allowing him to buy back the business for \$100,000.

Z. Louie, who owned the club from 1955 to 1961, proposes to buy out present owner Andy C. Wong. Louie has been managing the club for Wong since 1961.

Applying to retain their positions as corporate officers without investment are Walter E. Minor, a Las Vegas slot machine mechanic, and Dale B. Dorothy, a Las Vegas realtor.

The license application seeks authority for operation of four table games and 10 slot machines. The proposal will be considered by the Gaming Commission upon completion of routine personal background and financial investigations by the State Gaming Control Board. Earliest possible licensing date is March 15.

A veteran gambler and native of China, Louie moved to Las Vegas from Fresno, Calif., in 1955.
