

We've Been WONDERING

WHY that reformed broad with the crimson past, who is three years older than baseball, thinks she can solve the boudoir problems of a certain young couple? She never was able to make up her own mind about her own sex problems.
? ? ? ? ?

WHY so many people spend most of a lifetime dreaming about owning their very own dollhouse, and a year after their dream comes true, they let the dollhouse run-down into a doghouse.
? ? ? ? ?

WHY "Miss Pretty" thinks that being pretty is all that it takes to make it? (Pretty is as pretty does, Miss McNasty.)
? ? ? ? ?

WHY so many bar Romeos "run 'em around" until they don't have enough bread left to pay the pad tab.
? ? ? ? ?

WHY 2-4-6-7-9-10-28-40 and 24-34-44-54-66-69-79 are supposed to be lucky for persons born in August, September and October.
? ? ? ? ?

WHY that blockhead practical joker doesn't cool it before someone gives him lips to match his fat head.
? ? ? ? ?

WHY the cat who coined the phrase, "You can't teach an old dog new tricks", didn't also add, "It's the old dogs who teach the new tricks".
? ? ? ? ?

WHY that certain sorority sister delights in putting "bad mouth" on her sister frockers? Webster says that sisterhood is a group of women who are united by a common interest. We know one sister whose interests are very common--damn common.
? ? ? ? ?

WHY Uncle Sugar won't let poor Henry deduct his two most expensive dependents--Mr. Cutty Sark and Miss Putty Kat.
? ? ? ? ?

WHY the new saw-bones took so long getting here? Doc "Longjohn" is only the second sepia Medic to practice in Nevada in 102 years. Our boss at the VOICE was the first one. In more than a century, Nevada has had only two Negro Medical Doctors. You will find them both at 958 W. Owens in the Golden West Shopping Center.

Jackie Robinson Explains Switch To "Pro Politicking"

In his weekly syndicated column "Jackie Robinson Says", the former baseball star explains why, after years of "stating flatly I would not accept a political or government position", he recently accepted the offer to work as a Special Assistant to Governor Rockefeller.

Noting that he has, in the past, campaigned for Hubert Humphrey, Richard Nixon, Lyndon Johnson, and several times for Governor Rockefeller, Robinson stated that in every instance he had made it quite clear that he sought no pay-off--financial or political. He mentioned that his support of Nixon is "not a fond memory" and that his support of Johnson was "more in protest against Barry Goldwater than for L.B.J."

Robinson spoke of his deep respect for Rockefeller and his belief in the New York Governor's

sincerity and dedication, and argues that "If, with the help of a tremendous Negro vote, a Rockefeller re-election can take place, there will certainly be no doubt that Republicans and Democrats must become much more sensitive to the just desires and demands of Negro people."

Presenting the inarguable fact that a two-party system is vital to our health as a democracy, Robinson, a Republican, wrote "I shudder at the thought of the Goldwater-Bill Buckley conservatism being allowed once again to capture the Republican Party, and offers that concern as a vital reason" why I want to see liberal, progressive Lindsay (New York Mayor, John Lindsay) and Rockefeller Republicanism triumph."
