

Tommy & The Derbies Now Appearing At The Cove

Maybe One Of These Is A Job For You

Nevada State Personnel Divisions are now accepting applications to take Open-Competitive Examinations for positions in the state service listed below. Applications will be accepted until further notice and candidates must fill out and file an application blank furnished by the State of Nevada Personnel Division. These application blanks may be picked up at the local State Employment Office, but mailed to the office of the Division in Carson City.

ANY PERSON who is a citizen of the United States and is able to read and write English is eligible to take the examination if he possesses the minimum qualifications. Additional information can be obtained at the local State Employment office.

CLERK - Salary: \$302 to start. Merit increases to \$364. . .Minimum qualifications: Graduation from high school or equivalent education; preferably supplemented by the successful completion of a recognized commercial program approved by the State Board for Vocational Education. There is an additional note on this job offer that the list established as a result of this examination will be used to fill some positions requiring lifting and inter-office delivery, therefore, male applicants should apply.

REFRIGERATION AND AIR CONDITIONING MECHANIC - Salary: \$488 to start. Merit increases to \$590. . .Minimum Qualifications: Completion of common school, preferably supplemented by completion of approved training in refrigeration and air conditioning, and at least four years responsible experience in in-

stallation, maintenance, and repair of refrigeration and air conditioning equipment. Graduation from high school may be substituted for one year of required experience. LOCATION: University of Nevada Southern at Las Vegas, Nev.
