## SPORTS

## Chuck Harris

To nobody's real surprise, the BOSTON CELTICS are NBA Champs again. . . The superb playing of JERRY WEST and ELGIN BAYLOR of the LOS ANGELES LAKERS wasn't enough to offset the team playing of the CELTICS who proved for the ninth consecutive year that they are the greatest of team players. BOSTON coach, RED AUERBACH has proved that in playing together, all players are stars--So a great hand to the CELTICS for their team play and to their outstanding coach, and a big hand to the LAKERS for a game try--But, as they say, WAIT UNTIL NEXT YEAR--AND remember, the CELTICS' great player, BILL RUSSELL returns next year as player-coach and has everyone's best wishes.

### BOXING

After Monday's Fight of the Week at the Hacienda, a group of us got together with some of the fighters and their managers and visited BOB BAILEY'S SUGAR HILL to watch the pretty Go Go girls, MAXINE, FANITA, and VIVIAN. . . Afterwards, we walked right across the street to GENE LEWIS' TEXAS PIT BAR-B-Q where the gang raved about the great Bar-B-Q prepared by MACK SCALES and BENNY TAYLOR and served by pretty waitress, DORIS PIERCE. . . The managers and I agreed that exposed to all this good food and atmosphere constantly, ALL the fighters could become champs. . . So whenever the boys are in town from Los Angeles or Phoenix (or wherever) look for them to spend their spare time at SUGAR HILL and the conveniently across the street TEXAS PIT.

attached to any piece of fishing tackle.

**Live Boxes and Stringers:** All unattended live boxes and stringers containing fish shall have a water resistant identification legibly bearing the name, address, and fishing license number of the person using and storing fish in such live box, or fish stringer. Where several persons utilize the same live box or fish stringer, each person shall personally attach his own identification to such live box or fish stringer.

FLASH!!! SILAS STEPP, a Nevada Southern graduate, in the near future, will direct a Boy's Club right here in the Golden West Shopping Center for ALL boys--SILAS is another great guy.

### BASEBALL

The CLEVELAND INDIANS' 10 game winning streak was stopped by the CHICAGO WHITE SOX but not before they had set an American League record and tied another. . . The LOS ANGELES DODGERS with CLAUDE OSTEEN going in great form, SANDY KOUFAX and DON SUTTON beginning to blow the batters down, and MAURY WILLS stealing everything but the baseball, got another big boost this week re-activated the old pro, JIM GILLIAM from the coaching ranks. . . This is the second year the DODGERS called on their veteran player to revert to a player-coach--By returning to the active player list, GILLIAM starts his 14th season in the major leagues--He joined the DODGERS in 1953 and in his first year at Brooklyn was chosen "Rookie of the Year" . . . Speaking of veteran Dodgers--Former Dodger baseball star, JACKIE ROBINSON has made another "first". The great former second baseman has been named as Manager of the BROOKLYN DODGERS FOOTBALL CLUB of the Continental League.

AND wouldn't you know those great rivals, the SAN FRANCISCO GIANTS and the LOS ANGELES DODGERS would tie up for their first encounter of the season with identical 12 win-7 loss records.

Otto Preminger has completed his cast for "Hurry Sundown" with the signing of John Phillip Law to join Michael Caine, Candice Bergen, Diahann Carroll, Burgess Meredith, Faye Dunaway, Roger Smith, Beah Richards and Robert Hooks in the Paramount Pictures release, based on the best-selling novel by K.B. Gilden.

Law scored a personal triumph with pre-view audiences in the forthcoming film, "The Russians Are Coming". He will play Rad, an ex-soldier returning home in "Hurry Sundown," the exciting story of white and Negro life in the rural south immediately after World War II.

Preminger will produce and direct "Hurry Sundown" entirely on location beginning in June, in Panavision and color.
