Floating Creel

Fresh-caught fish for dinner can be a real treat—if they are stored properly after you reel them in. The floating box shown here keeps your catch alive and in perfect condition. The box is bent from hardware cloth and fitted with a Styrofoam cover to keep it afloat. A pot lid attached with a cord caps the opening cut in the top of the box.—Hi Sibley

SPORTS

Chuck Harris

Well, I finally called one right. I said MUMHAMMAD ALI CLAY would stop COOPER within 8 rounds, and the TKO came in the 6th. . . The CHAMP was superb in defense of his title reminding one of nothing so much as a cat toying with a mouse before the kill. From the opening bell, CLAY was the master of his adversary—With his great skill, boxing moxie, beautiful body action, you knew it was just a matter of time. Watching those cat-like steps of a tiger in action, and those sledge hammer jabs, memories of that great warrior of the ring; JOE LOUIS, came flooding back. I must say COOPER was dead game in trying to land one telling blow, but CHAMPION CLAY with the graceful movements of RAY ROBINSON, and the punching power of a great JOE LOUIS, and the stepping of a superb JACK JOHNSON made HENRY COOPER'S face a bloody mess and necessitated twelve stitches to close a cut on one eye. Over 46,000 Britains witnessed the bout and during CLAY'S stay in England, Britishers accorded him the welcome and deference worthy of the great champion he happens to be.

JOE CLARK, a native Las Vegan, and a great coming fighter, won his first ten rounder in defeating KID RAYO who has been in the ring with such notables as CURTIS COKES and FLORENTINO FERNANDEZ among others. RAYO was no competition for our JOE who proved that, if taken along correctly, he can go all the way. . . He stopped RAYO in 4 rounds, IRVING STARR, CLARK'S manager, and trainer STANTISCHLER, say that if their boy keeps improving at

the rate he is now, he will very soon be seen on TV from MADISON SQUARE GARDEN—By the way, JOE got part of his schooling from CHUCK'S BOYS CLUB.

WAYNE THORNTON of Fresno, California, gave a good account of himself in a game try to dethrone JOSE TORRES, the Light Heavyweight Champion, but the Puerto Rican's boxing ability and hitting power was too much for a game challenger who lost in a 15-round decision.

SONNY LISTON, former Heavyweight Champion of the World, was cutting up touches with the boys at the COVE the other day, and made mention that he hopes to go in business with one of his old friends, HENRY BASS. . . LISTON said he first became acquainted with BASS at SUGAR RAY ROBINSON'S Bar in Harlem when BASS was traveling with the LOUIS JORDAN TYPANY FIVE—and RED WILLIAMS and Q.B. BUSH might get part of the action.

The DODGER'S SANDY KOUFAX really served notice to opposing batters that he has reached his winning form and is ready to "strike" fear into the hearts of National League hitters.

CHUCK'S ALL AMERICAN BOYS CLUB would like to thank LARRY and AL WILBURN of LARRY'S MUSIC BAR and SIGHT and SOUND for the donation of a music box for the Club. . . Also our appreciation to HANNAH BROWN and ROSE WICKLIFFE for selecting a beautiful sound box for the kids to enjoy this summer.

STATE CAGE CHAMPS "SELL" A TOUGH ONE

LAS VEGAS HIGH SCHOOL BASKETBALL TEAM that went all the way to win the State Championship have been selling advertisement for the School's Basketball Programs to finance the cost of the State Basketball Championship Jackets, and hopefully to keep a petty cash fund on hand for medical expenses not covered by insurance. . . Shown here are players receiving a check from VOICE Managing Editor, John West (a neater feat than winning the Championship—(l-r) Charlie Brown, West, Coach Richard Truman, and Wilford Folgar.

Kit Carson Dinner

Home cooked meals can be obtained every Friday from the Kit Carson Elementary School with free delivery service available by calling 649-2323.

Menus will vary from week to week, and a telephone call to the above number will provide requested information as to "Special of the Week", etc.

Proceeds from the dinners will be used to defray expenses of students' recent excursions to Lee's Canyon, April 18-19, to Death Valley on a geological field trip, May 4, and a trip to Disneyland scheduled for later this month.
