

We've Been WONDERING

WHY Mr. Holier-than-Thou, long known for his outbursts of indignation at normal, healthy youngsters having fun, doesn't cool his long hot tongue before the offspring of one of his male PARAMOURS (seething at some of his blasts) tells all.
? ? ? ? ?

WHY the complaint about Joe Lee's moustache isn't made to him in person? The report is that his hirsute adornment is scraggly, and has the sting of porcupine needles.
? ? ? ? ?

WHY Governor Romney questioned Ronald Reagan's stand on Civil Rights and did not take the Nevada GOP hopeful to task? They both supported Goldwater and they both were opposed to Civil Rights in 1964... Looks like the Michigan Governor believes that any Republican is good enough for Nevada Negroes.
? ? ? ? ?

WHY some members of local fraternal organizations have to be coaxed, catered to, and rubbed down to participate in, and help to build what they committed themselves to do when they joined the order in the first place.
? ? ? ? ?

WHY the good Doc Long John doesn't supply Red Williams with some oxygen capsules so that it won't be so difficult for him to muster up a second wind while he is entertaining a certain young lovely. (Poor "Henry" would bust a cap or two of Red's oxygen, but Henry needs something with more 'dash'--like Space Fuel).
? ? ? ? ?

WHY the sequences of 8-9-10-20-43-45-46-47, and 4-14-24-34-33-35-61-71, are supposed to be lucky for persons born in June, July and August.
? ? ? ? ?

WHY in the hot-rod society where the automobile offers instant status, Automobile Dealers (all "Charlies") ignore the Negro Market by not bothering to advertise in the Negro Press, Charlie knows that Bro will get his short just as soon as he gets some bread. (Please Bro, do Poor Henry a favor. Don't shop for a short in those places that never advertise in the VOICE--I like my job, and the boss needs that business).
? ? ? ? ?

WHY that certain waitress who hasn't traveled three miles from her diggin's in the last ten years, claims that most educated people are fools? Guess that is intended to justify her sloppy service and unkempt appearance as being wise.
? ? ? ? ?

WHY that loose nut patsy, that has so much trouble understanding, doesn't check with Mr. Webster. Like "lax" is defined as 1. not firm or stiff; flabby; slack; 2. weak; not strict; as lax principles; INEXACT; careless; not precise; 3. loose or relaxed, not tense or rigid. The definition of ALT is High in Pitch; the octave above the treble staff.
? ? ? ? ?

WHY that veddy; veddy professional matron that has an array of ex-titles (all scarlet) doesn't try to separate her glamorous past from the present reality, and reap the rewards of yesterday's recognized and respected talents (In other words, stand on her past, but look the future square in the face).
? ? ? ? ?

WHY that certain supposedly not-so-hep "over thirty" doll who wasn't content with the luxuries that Daddio provided (Like oatmeal sandwiches, dried pork skins and peanuts) looks so healthy and radiant these days. (If this is the result of her new vocation, Bully for her).
? ? ? ? ?

WHY Laxalt didn't block the Cabaret Tax Bill in 1965, as he blocked the Civil Rights Bill in 1963? He says, now that Sawyer ramrodded the tax bill through the Legislature and that he (Laxalt) was opposed to the bill all the time. 'Paradoxical Paul'

The Scene and The Seen

ALICE FULLER (extreme left) buys the first ticket to Sunday's "Evening of Variety" at the Cove Hotel from Q. B. Bush who is flanked by Katherine Bass and Beatrice Johnson (r).

MAN TALK--And mighty serious judging from the gravity of John West's expression as his "Uncle Mex", Bob Bailey, emphasizes a point which must have been well worth hearing.

"It was what anyone would do", Governor Sawyer tells Avanelle Lewis as she remarks to Bob Bailey of her appreciation of the kindness and thoughtfulness of the Governor in writing a letter of comfort and sympathy to her at the recent loss of her mother.

RUBEN BULLOCK in a rare second when he is not either mixing a drink or ringing the cash register.

EAGLE "I" SHIELDS has much to smile about as he relaxes during Intermission at Rubens. His swinging group currently appearing at the popular nitery is a great hit with the patrons including the happy fans caught here in the picture.

"BEAR-STOMPING" is 'camp' with everybody, everywhere. Here vivacious Barbara Crear, wife of Dr. "Long" John Crear gets in the groove and is swinging on out.

sure stopped Sawyer from "ramrodding" a Rights Bill--he could also have stopped the Tax Bill if he was "for real"--which he ain't.
? ? ? ? ?

WHY Nevada voters have repeatedly sent a 'do-nothing' to represent them in the House of Representatives? Baring's only recognition in the house is his neck and neck contest for the title of "Most Absent Member".
