

We've Been WONDERING

WHY when "Charlie" is out with a Brown Doll, no one seems to notice and they are accepted without question; but when Bro sports Little Pink Toe, they get everything from the side-glance treatment to downright stares--and glares.
? ? ? ? ?

WHY that certain matron, in her quest for acceptable outlets for her psychological masculine traits, doesn't give the local gym a try.
? ? ? ? ?

WHY that ol' D.H. (Sr.) has to be such a romantic sometimes, like while the party is in full swing, escorting his lovely wife to the balcony overlooking the pool to smooch (of all things).
? ? ? ? ?

WHY that certain graduate from Ignoranceville "U" who has a nice niche in the Youth Opportunity Center and was recently appointed to the O.I. Board, doesn't try listening a little and give his big fat hash-trap a break.
? ? ? ? ?

WHY is it that those who are favored most, considered first, and are the recipients of many charities, are usually the same to complain the most and squawk the loudest.
? ? ? ? ?

WHY the sequences of 24-44-54-64-30-40-50-8, and 4-5-6-7-19-29-39-61, are supposed to be lucky for persons born in February, March and April.
? ? ? ? ?

WHY Ed Fly didn't do a little close checking before tackling (after much boasting) Bob Cardinal. Bob has a list of Chess casualties a mile long. (Touit Chuck Williams knew it all the time).
? ? ? ? ?

WHY certain individuals are taking bows and trying to snow-job the up-tight Charlies that they are responsible for keeping a cool scene in Bronzeville when it's really the militant Civic Organization that is doing the good work.
? ? ? ? ?

WHY the management of what spot boasts it is The place to go, and the action is such, service is allowed to the hipper dippers at the tables while they are wearing their hats. (Attention Stingy brimmers).
? ? ? ? ?

WHY that on-again-off-again couple don't try a different approach to their problem like pooling their personality assets and working toward the same goal.
? ? ? ? ?

WHY Podner Jack Tell doesn't gift that partially-roasted NUT with a copy of The Road to Emotional Maturity and forget the whole thing.

The Scene and The Seen

SCENE Photographer finds the nicest place to go and the loveliest people to see--Witness Diane Dowd in the shade--What would happen if she were spotlighted...Eh?

NO QUESTION that she's going --but where, and how long will she stay. As a matter of fact, who is she, and come to think about it, who was the photographer and where was his focus--or mind?

BUSMAN'S HOLIDAY for GO-GO Girl, Diane Mayfield, who graciously responds to the crowd's plea "Show us how it's done--And on a girl's night-off yet--But, of course, it was at Sugar Hill.

DEMOCRATIC WOMEN'S CLUB-WEST members seem to be mighty pleased with whatever Bob Bailey is putting down in a "between you and me" session at Sugar Hill, Friday night at the Demo Women's very festive (very successful) birthday party.

OFFGUARD SHOT of Robert E. Green, Kappa Province Polemarch (l) and Los Angeles City Councilman, Thomas Bradley, Grand Polemarch of Kappa Alpha Psi Fraternity, trade a few "inside jokes" at the recent Kappa Regional Conclave here in our town.

PRETTY PEOPLE all the way--If taken with the old adage that Pretty is as Pretty Does", this is a double pretty trio. Lovely Ann Bailey, Sondra Reid and Sam Armstrong are living proof as they graciously pause for the roving camera man at the Kappa formal.

CRAZY are these balmy nights at Sugar Hill Gardens--Congenial surroundings and congenial people like this make it so.
