

TWO GREAT VOICES

Raised In

FREEDOM'S CAUSE

1959

"In a democracy there should be no gaps between principles and practices when the civil rights of man are involved. A community conscience may be appraised by the way it is concerned with those rights and privileges which are guaranteed, by law, to each individual regardless of his membership in any racial or ethnic group..."

The right to employment - to education - to housing - to the use of public accommodation - to health and welfare services and facilities...

AND the right to live in peace without discrimination, segregation or distinction based on race, religion, color, ancestry, national origin or place of birth."

GRANT SAWYER,
 Message to the Nevada State Legislature, 1959

1963

"If an American, because his skin is dark, cannot eat lunch in a restaurant open to the public, if he cannot send his children to the best public school available, if he cannot vote for the public officials who represent him, if, in short, he cannot enjoy the full and free life which all of us want, then who among us would be content to have the color of his skin changed and stand in his place .?"
