One of the supreme virtues of the democratic form of government is that it provides and insures the rights of the citizens of a Democracy to a secret ballot wherein they may cast their vote for candidates of their choice.

The Las Vegas VOICE would be the last to infringe upon the individual's right to vote for the Candidate of his choice. This Special Election Issue was provided for the benefit of Candidates who, through respect for the vote of readers of this media, wished to bring attention to their Candidacy on the eve of election.

The candidates whose names appear on the sample ballot provided below are being endorsed by this newspaper because they have earned your vote through a proven record and/or commitment to our common cause, namely; the struggle for equal rights and the rightful dignity of the Negro.
