SCOUTS RECRUITING

The Boulder Dam Area Council, Boy Scouts of America has in operation, its Fall Roundup, an invitation to new boys to join their ranks. Fred W. Smith, Executive Director of the Donrey Media Group is serving as Fall Roundup Chairman. There is a "recruiter patch" award for each boy recruiting a new member, as well as unit and leader recognition.

IN ADDITION, school surveys are being made in all area public and parochial schools. Boys indicating an interest in Cubbing (ages 8 to 11), Boy Scouting (ages 11 to 14) or Exploring (ages 14 to 17) are being invited to attend special meetings being held in the schools. At these meetings the applicant and his parents are invited to join the Cub-Pack or Scout Troop most convenient to them. Cubmasters and Scoutmasters of the local units will be on hand to greet the newcomers, answer their questions, and register them with the unit.

NOTICES OF the date, time and place of these "School Night" meetings are being distributed to the pupils. Several such meetings have already occurred and will continue throughout September and October.

Parents may obtain further information about these meetings, or about Scouting by calling the new Scout Service Center, Phone 736-4366, or visiting the Scout Center at 1135 University Road, just South of the Nevada Southern University Campus on Maryland Parkway.
